Counting 1-10 Animals

Preschool Counting,
Tracing & Coloring Activities

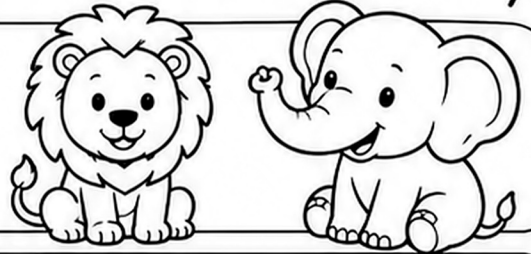

6 7 8 9 10

How to Use This Activity Pack

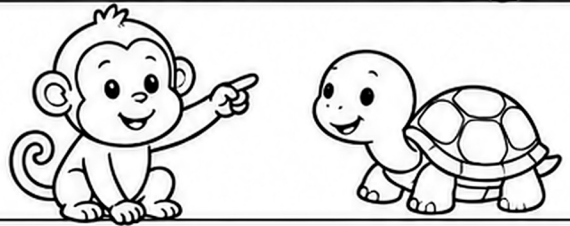

1

Count the animals together.

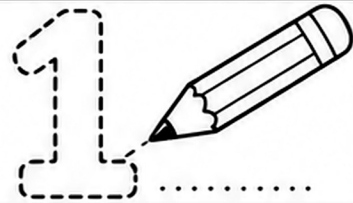

2

Point to each animal while counting.

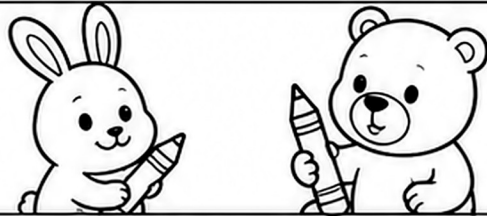

3

Trace the large number.

4

Color the animals.

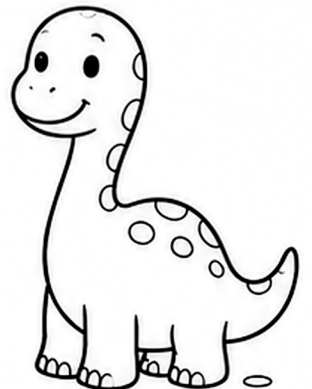

5

Complete the review activities.

Parent Tip:

Encourage children to touch or point to each animal as they count. This helps build one-to-one correspondence.

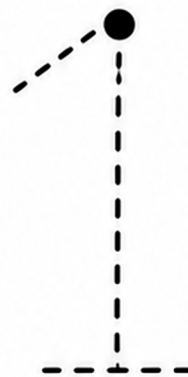

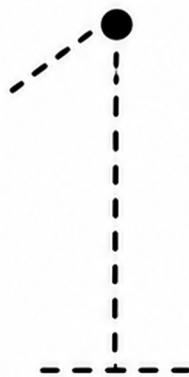

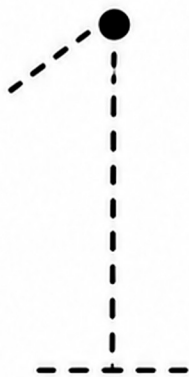

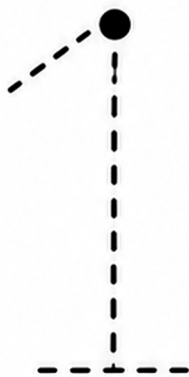

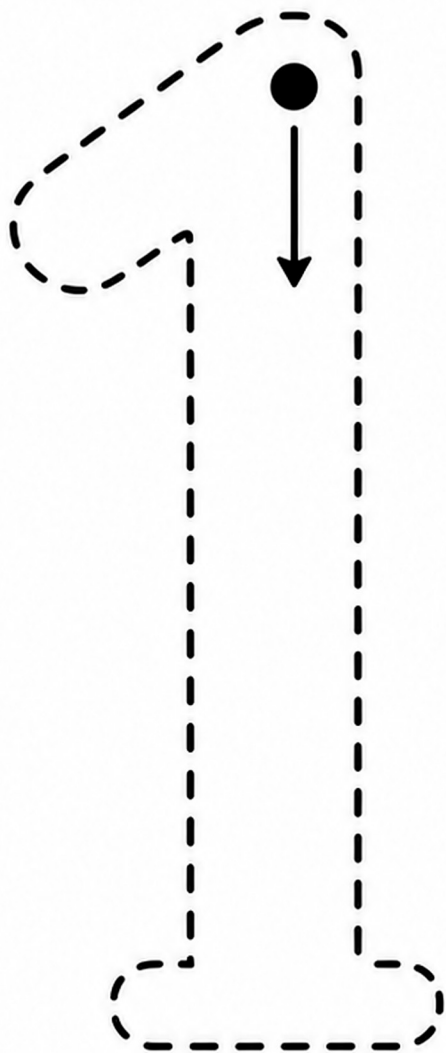

Count 1 Lion

Trace the number 1. Color the lion.

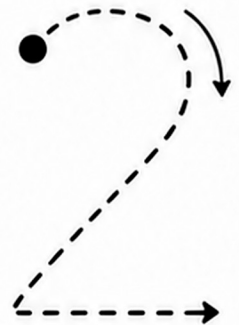

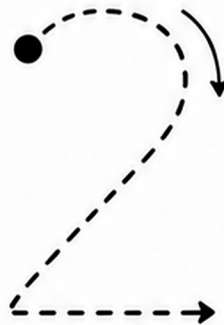

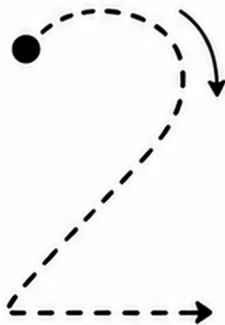

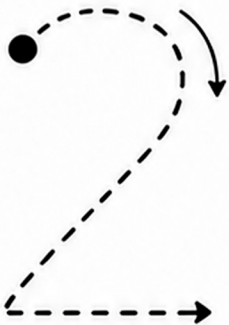

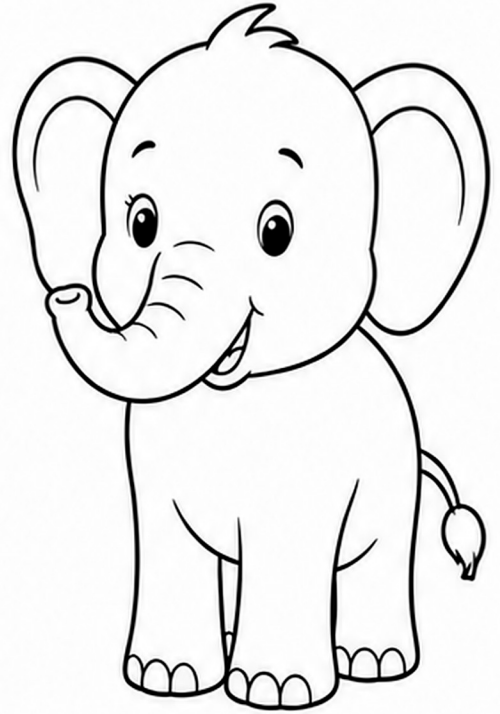

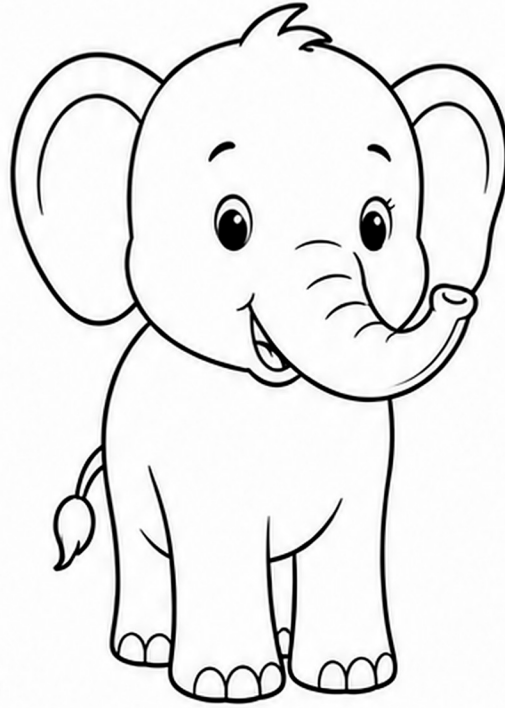

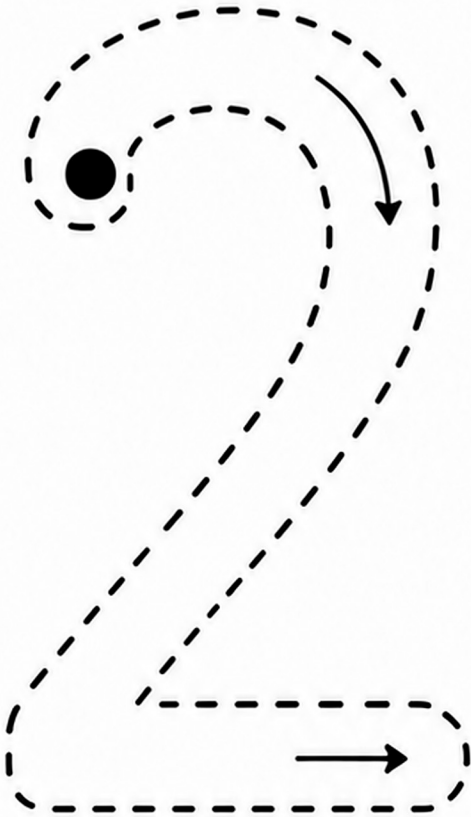

Count 2 Elephants

Trace the number 2. Color the elephants.

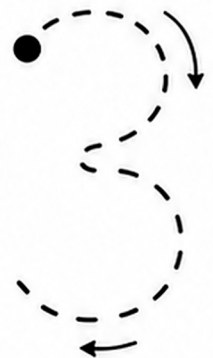

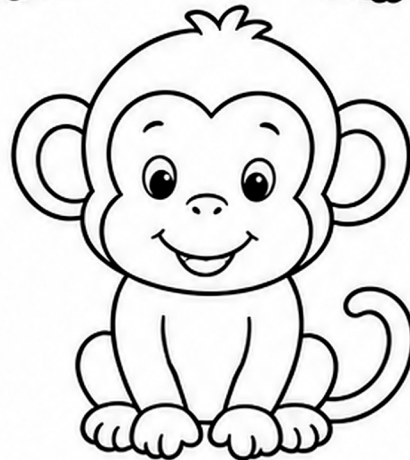

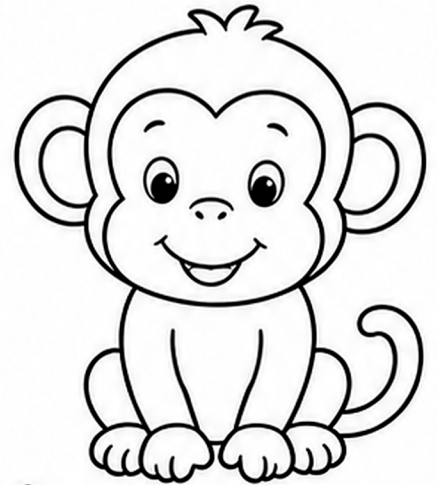

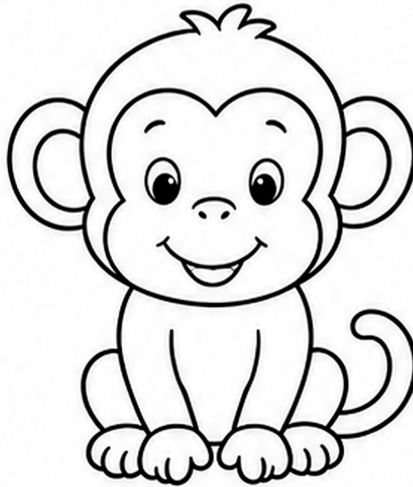

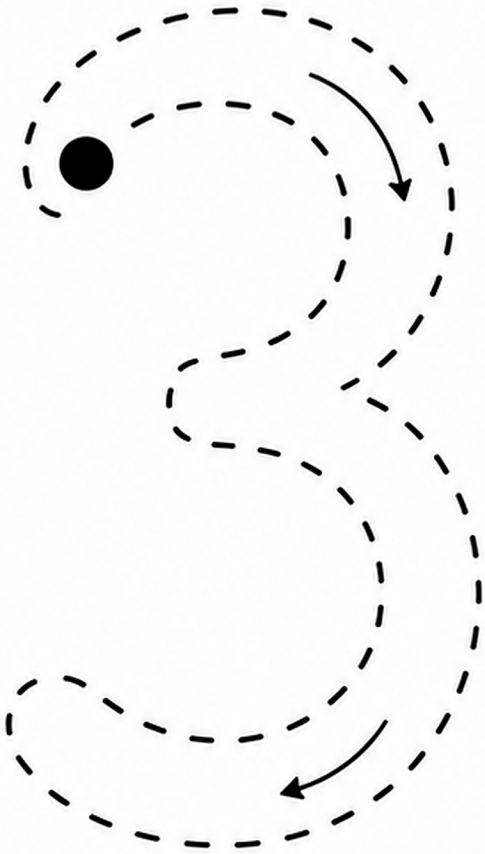

Count 3 Monkeys

Trace the number 3. Color the monkeys.

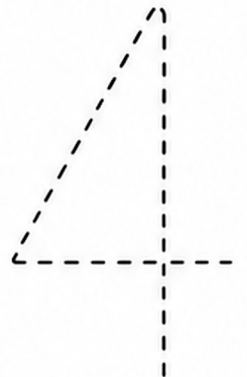

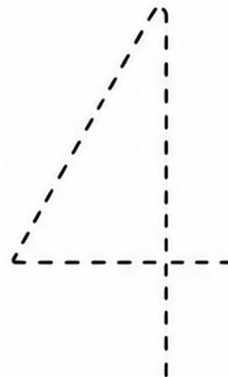

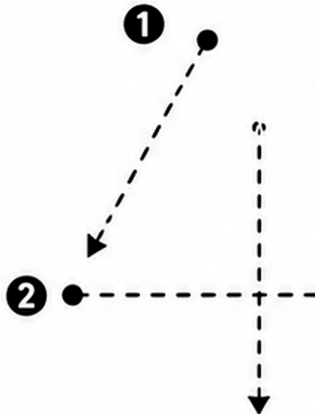

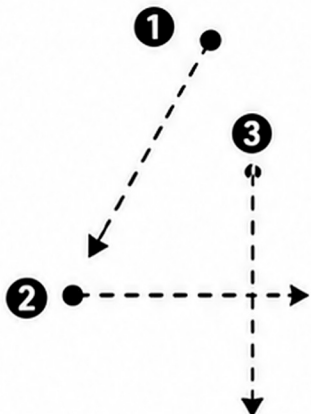

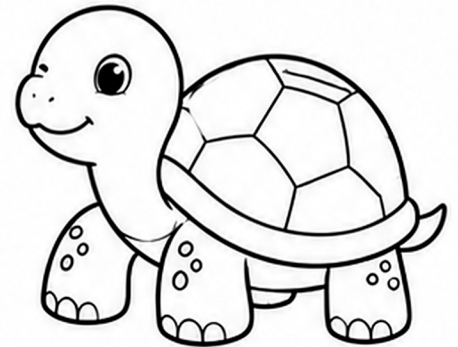

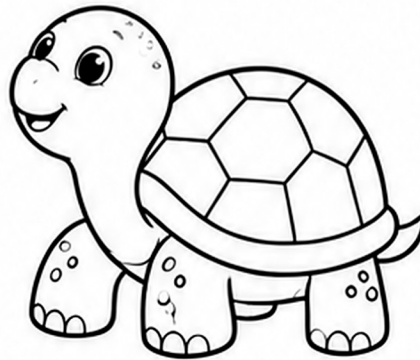

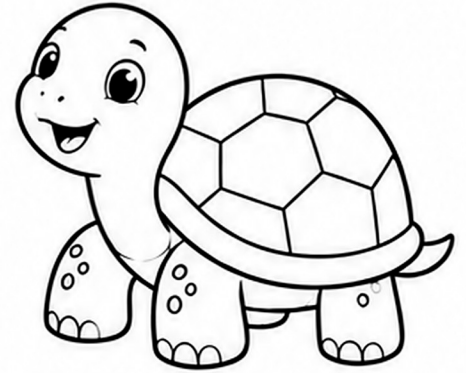

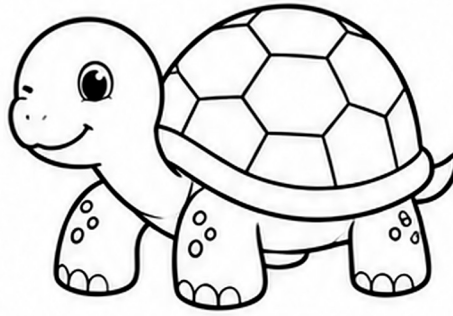

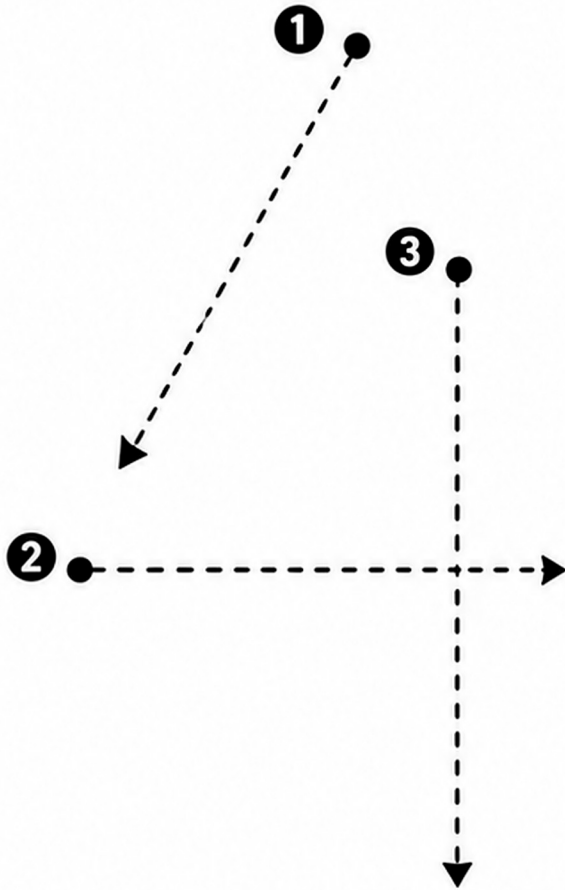

Count 4 Turtles

Trace the number 4. Color the turtles.

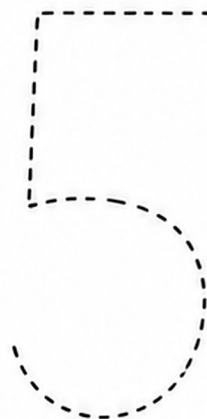

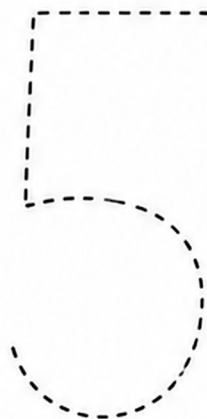

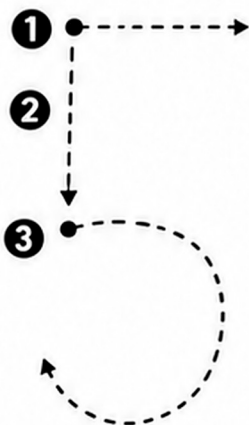

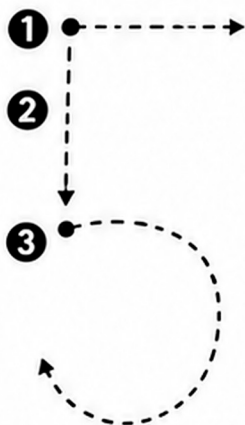

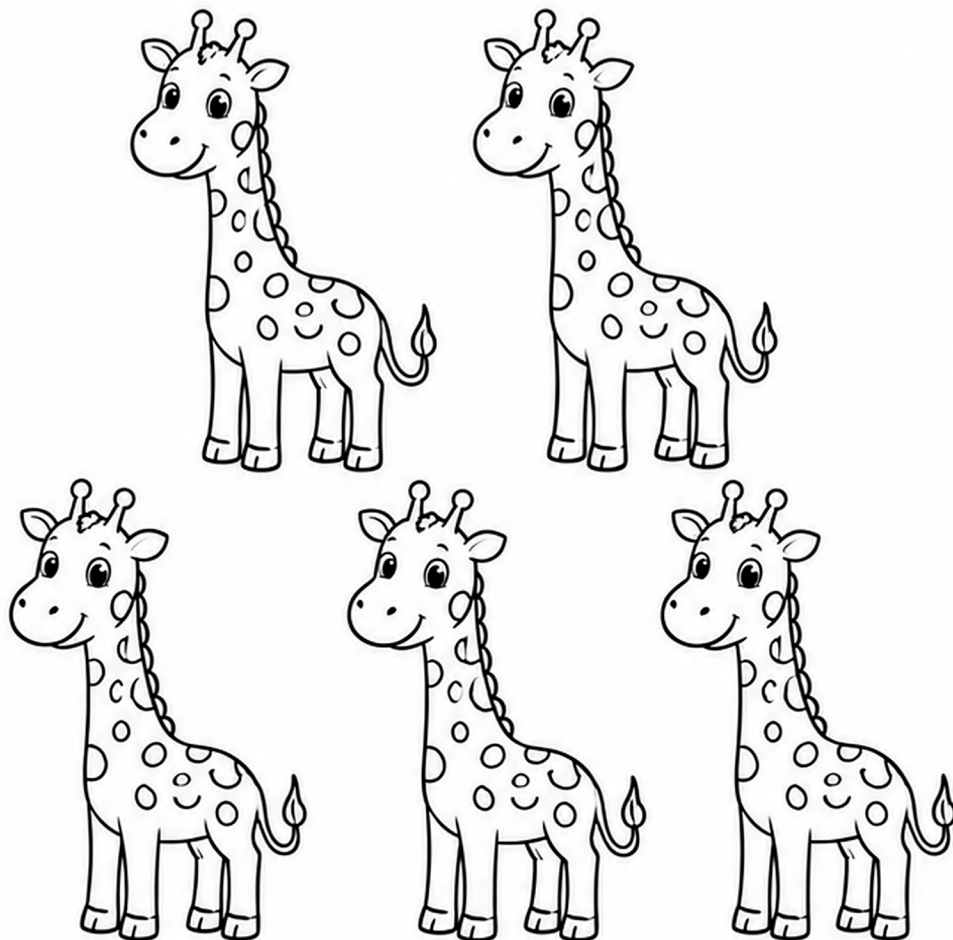

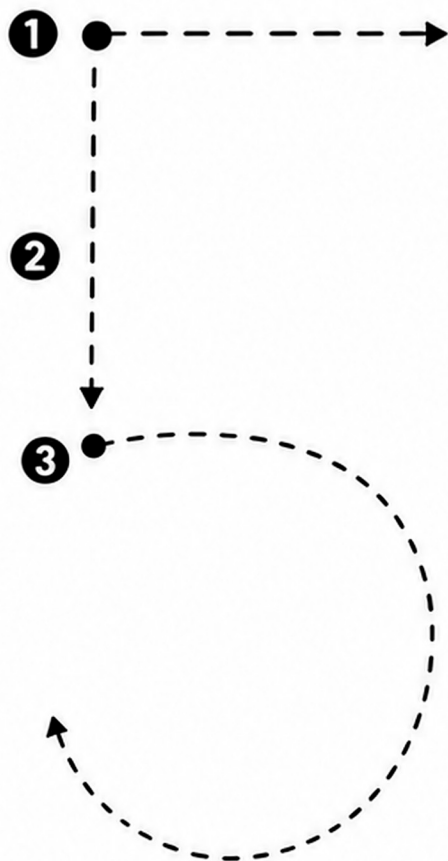

Count 5 Giraffes

Trace the number 5. Color the giraffes.

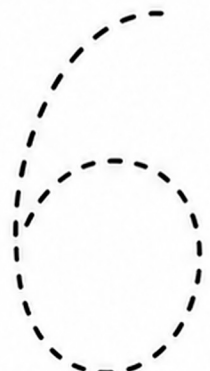

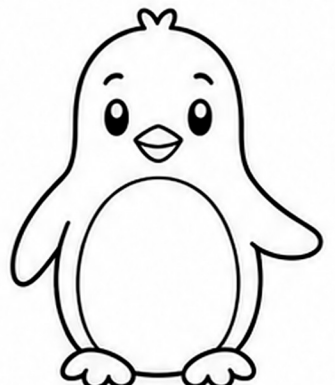

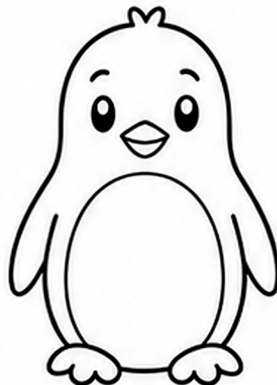

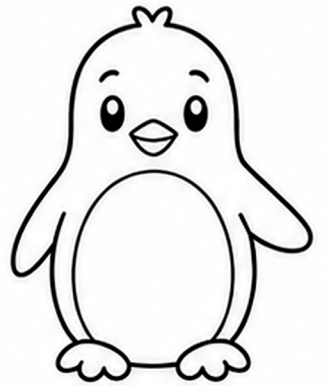

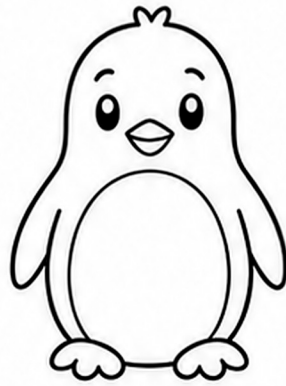

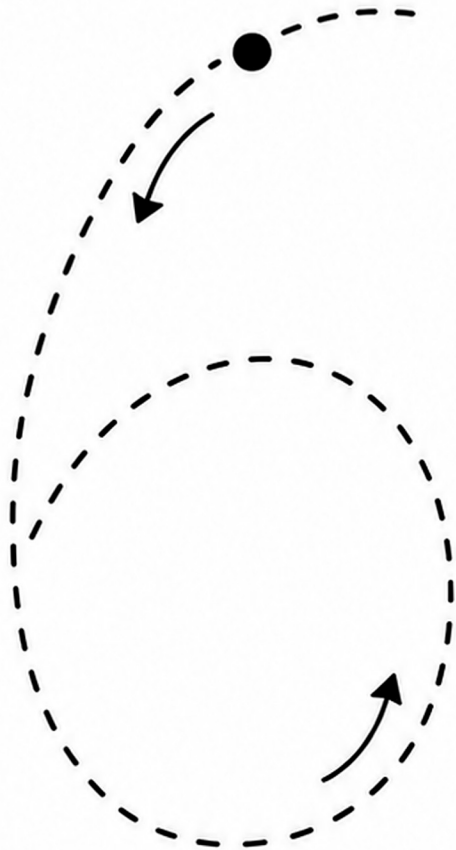

Count 6 Penguins

Trace the number 6. Color the penguins.

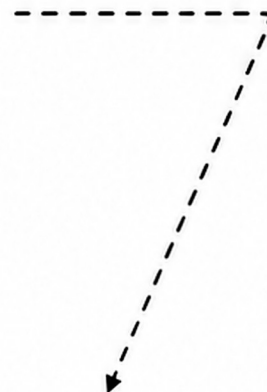

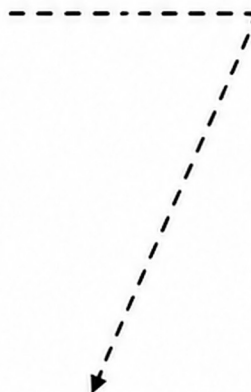

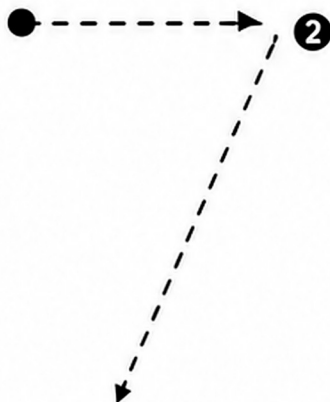

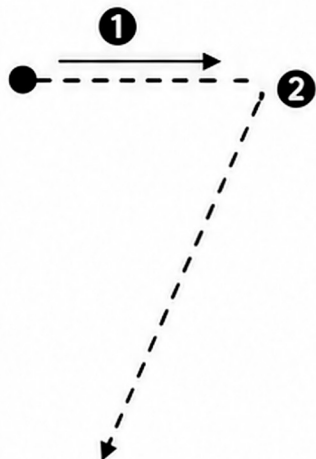

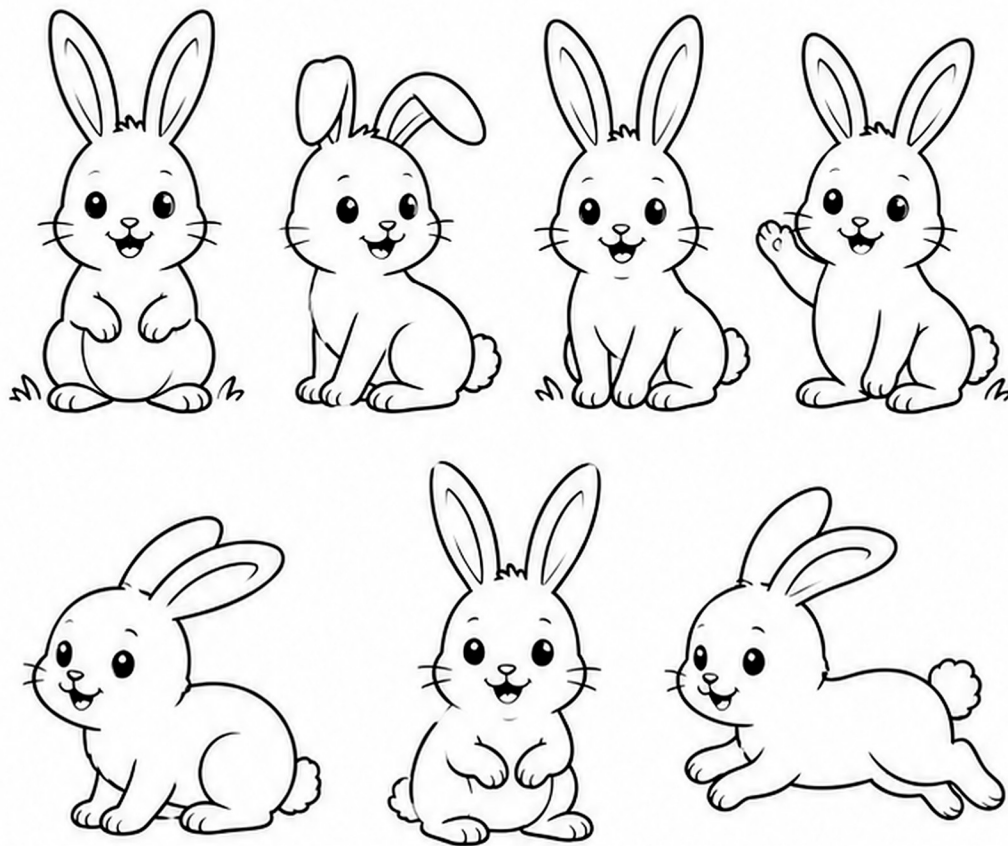

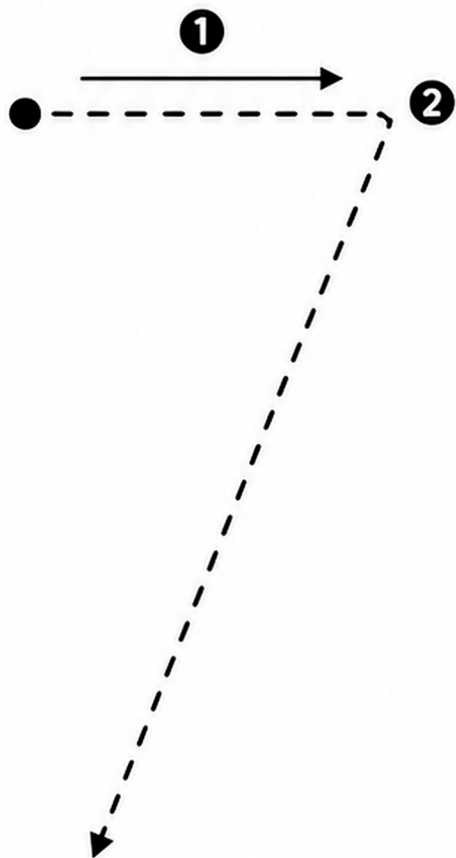

Count 7 Rabbits

Trace the number 7. Color the rabbits.

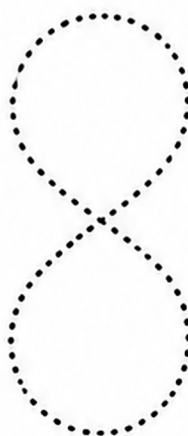

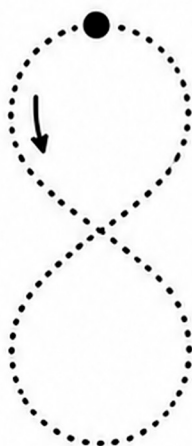

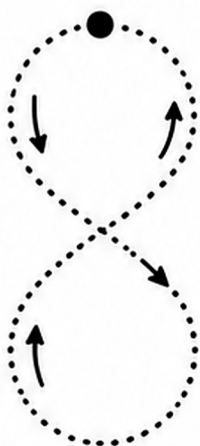

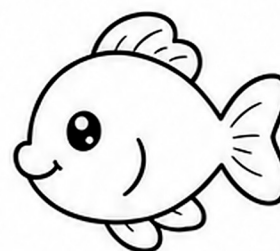

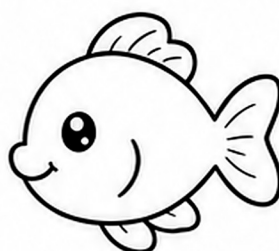

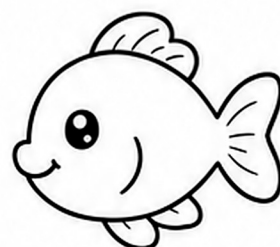

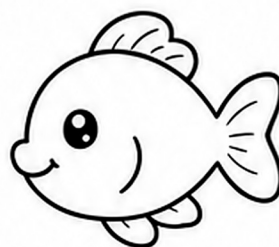

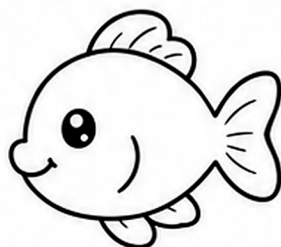

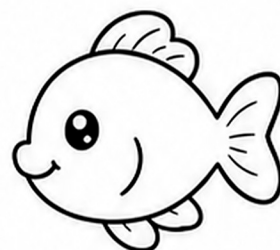

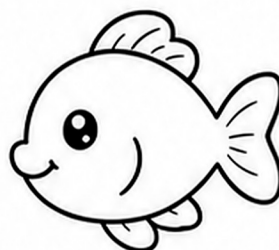

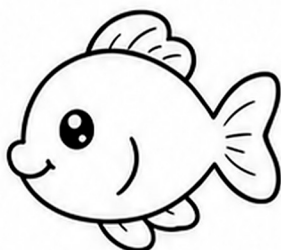

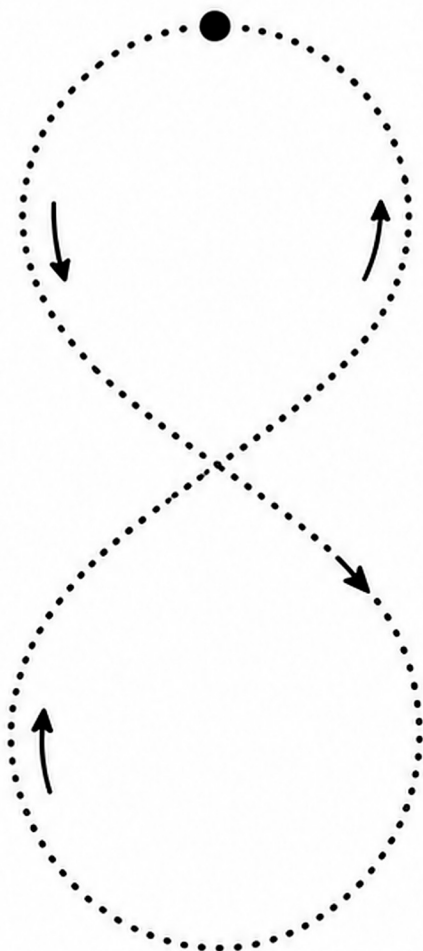

Count 8 Fish

Trace the number 8. Color the fish.

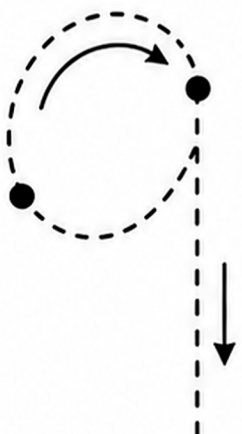

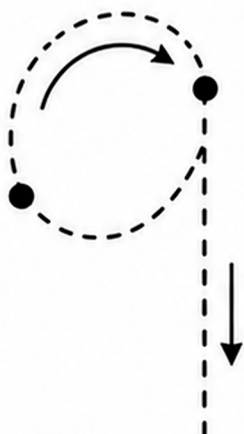

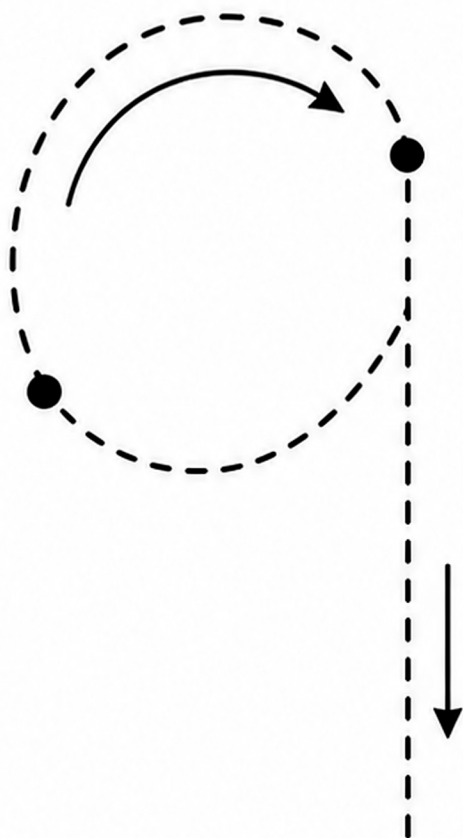

Count 9 Birds

Trace the number 9. Color the birds.

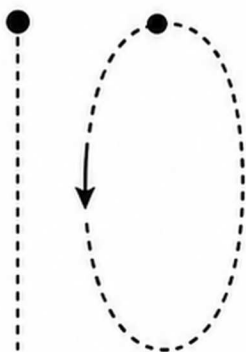

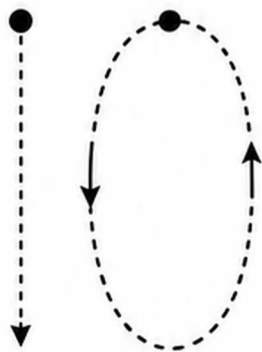

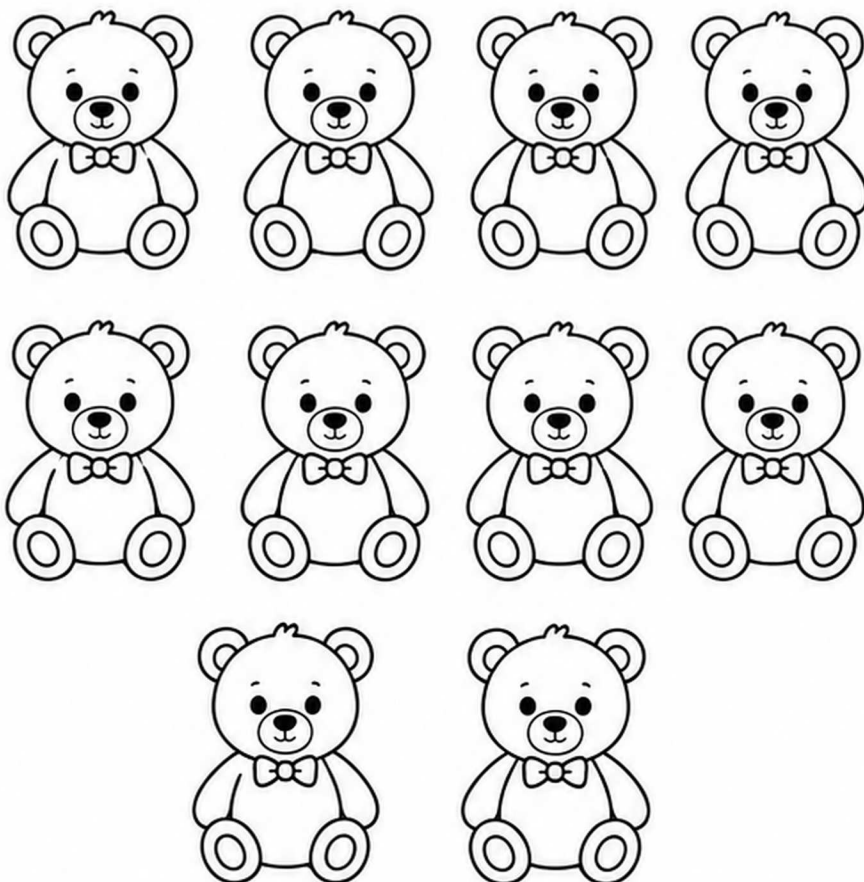

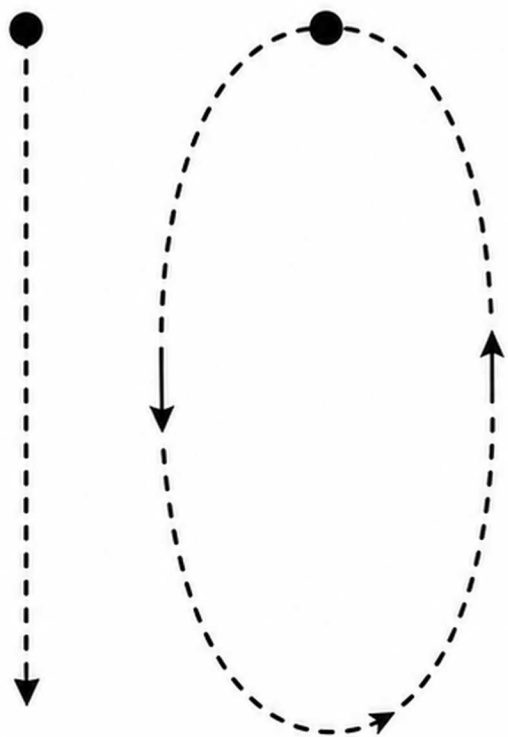

Count 10 Bears

Trace the number 10. Color the bears.

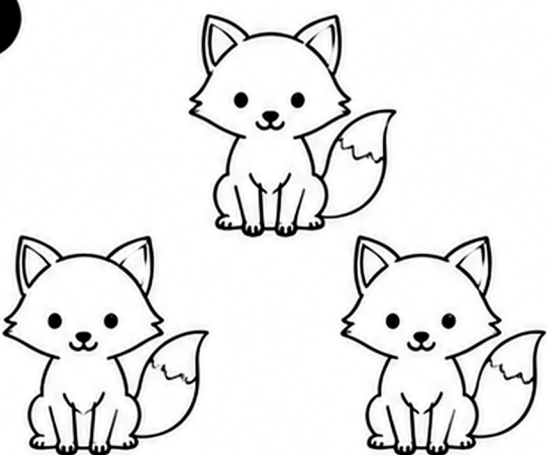

Count and Circle

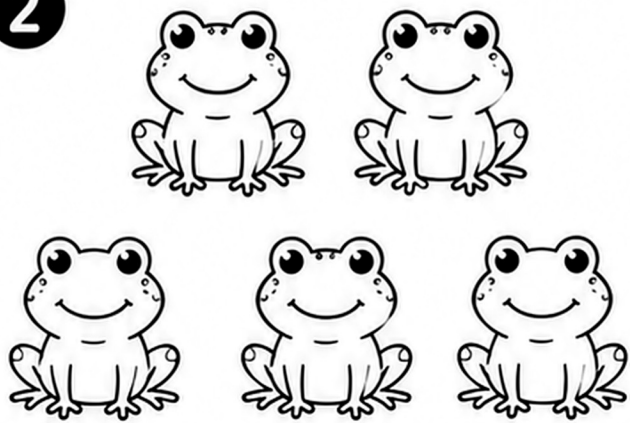

Count the animals. Circle the correct number.
