

Dinosaur Pre-Writing & Fine Motor Activity Pack

Tracing Fun for Preschool Kids Ages 3-5

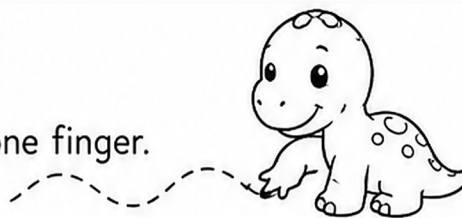

How to Use This Activity Pack

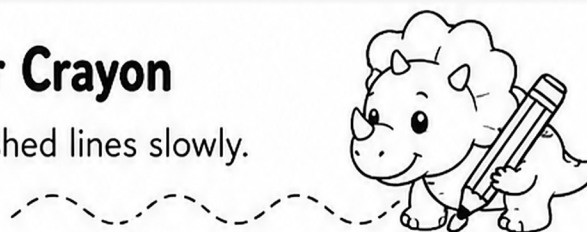

1. Finger Trace

Trace each path with one finger.

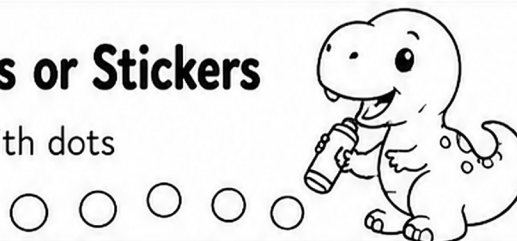

2. Pencil or Crayon

Follow the dashed lines slowly.

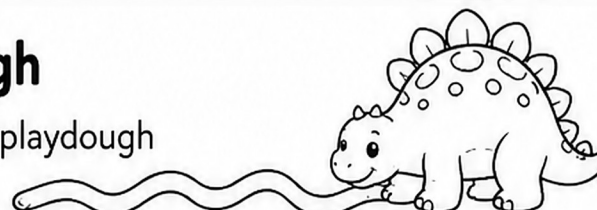

3. Dot Markers or Stickers

Cover the paths with dots or stickers.

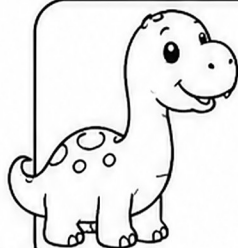

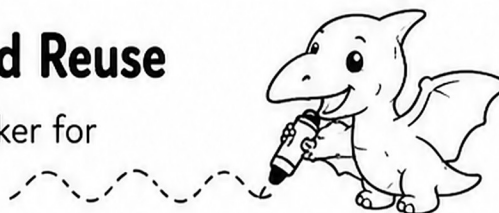

4. Playdough

Roll and place playdough over the lines.

5. Laminate and Reuse

Use a dry-erase marker for repeat practice.

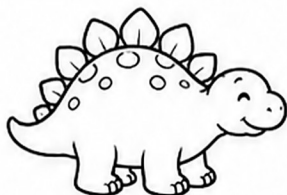

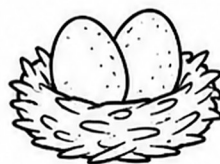

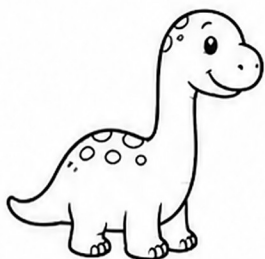

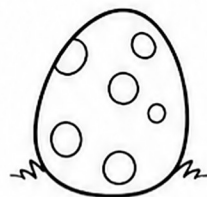

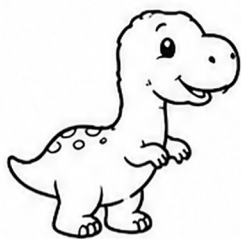

Encourage your child to move slowly and follow each path from start to finish. Focus on practice and enjoyment rather than perfect tracing.

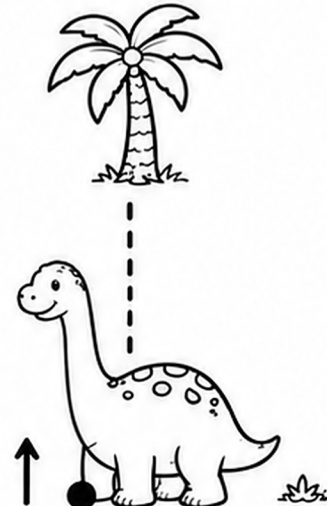

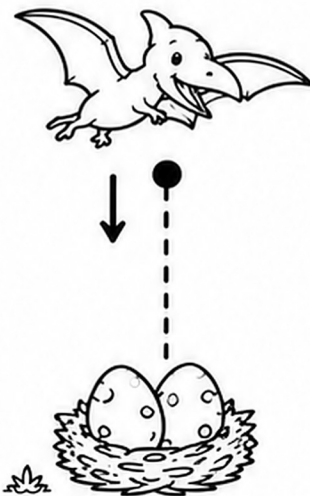

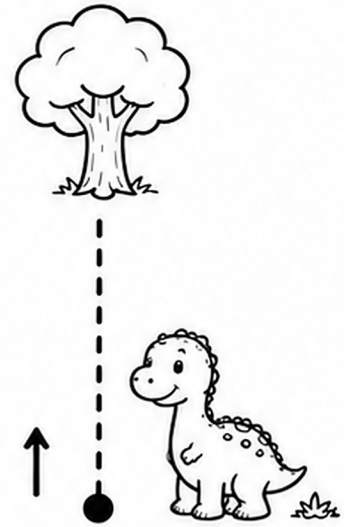

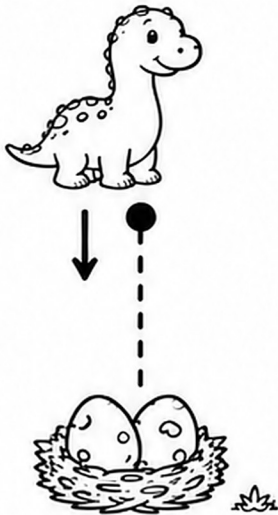

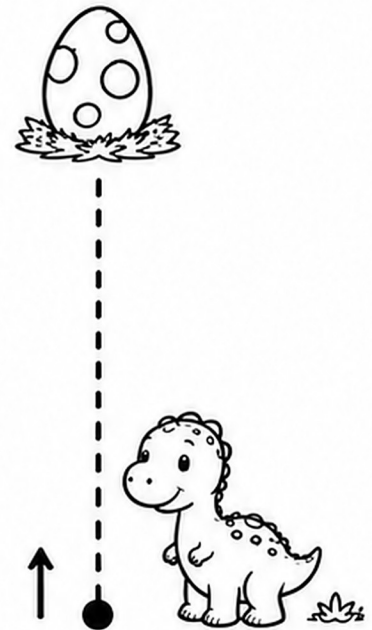

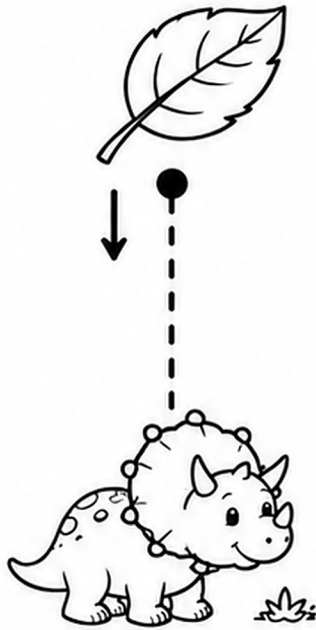

Trace the Straight Lines

Start at the dinosaur and trace to the picture.

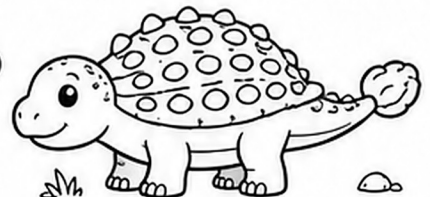

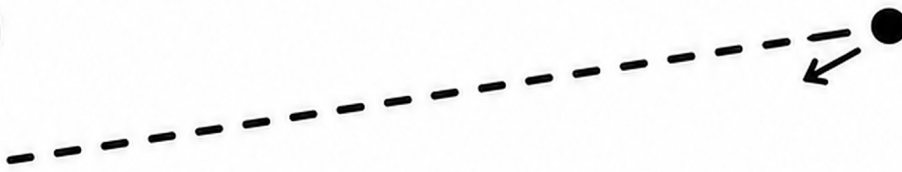

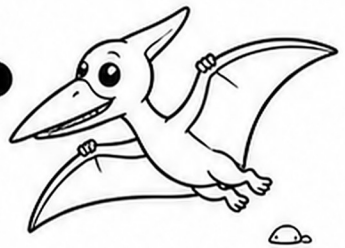

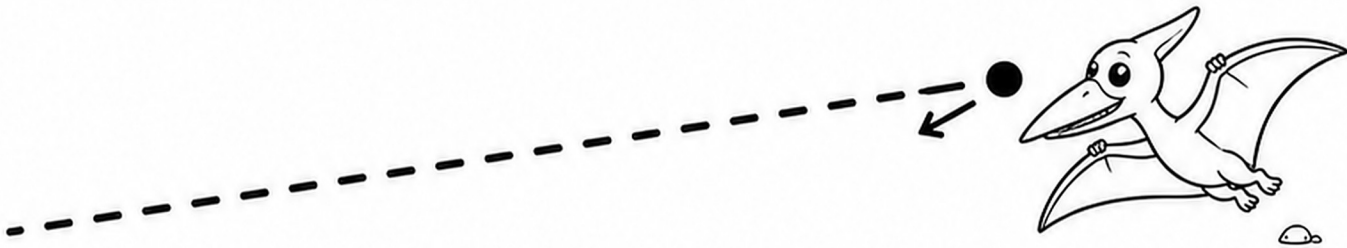

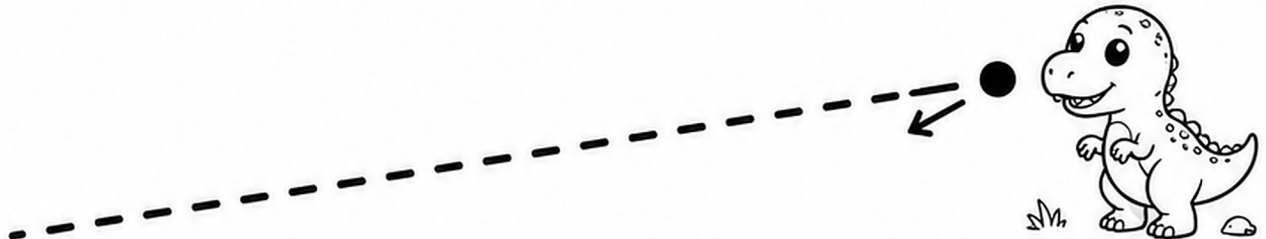

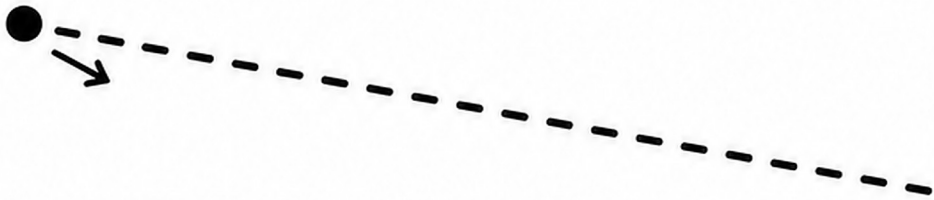

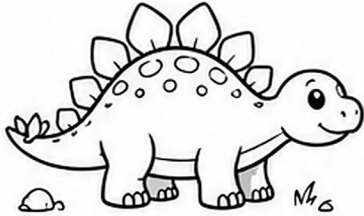

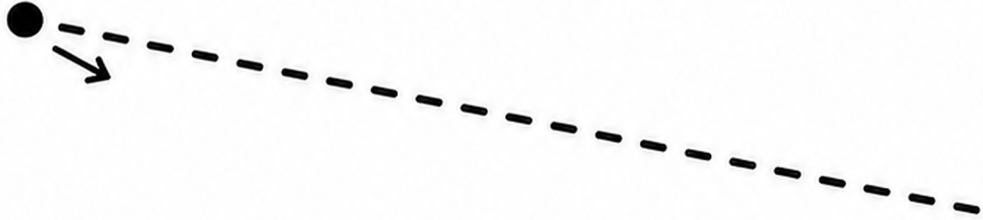

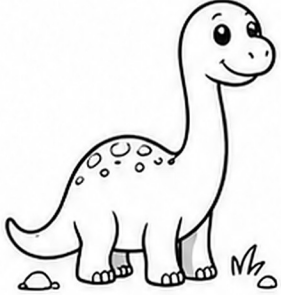

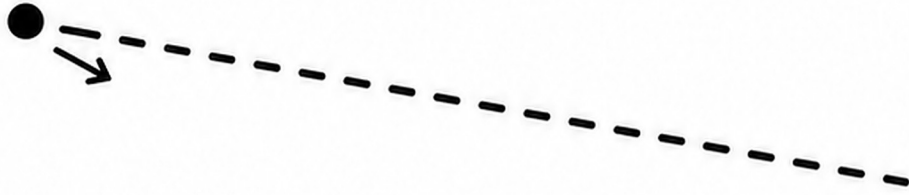

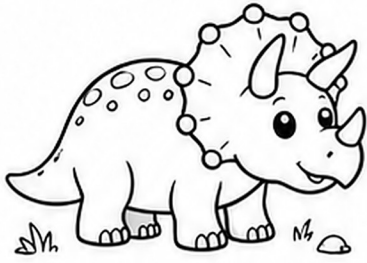

Trace the Up and Down Lines

Trace each line from the starting dot.

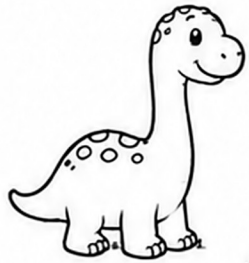

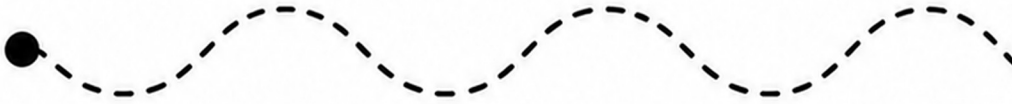

Trace the Slanting Lines

Follow each slanting path.

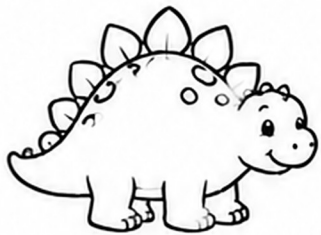

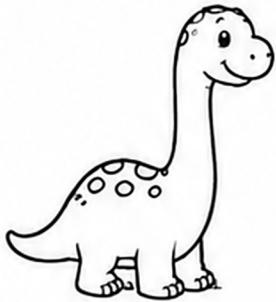

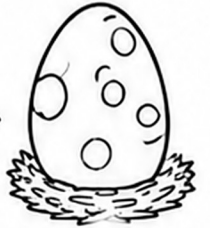

Trace the Wavy Lines

Trace the waves from start to finish.

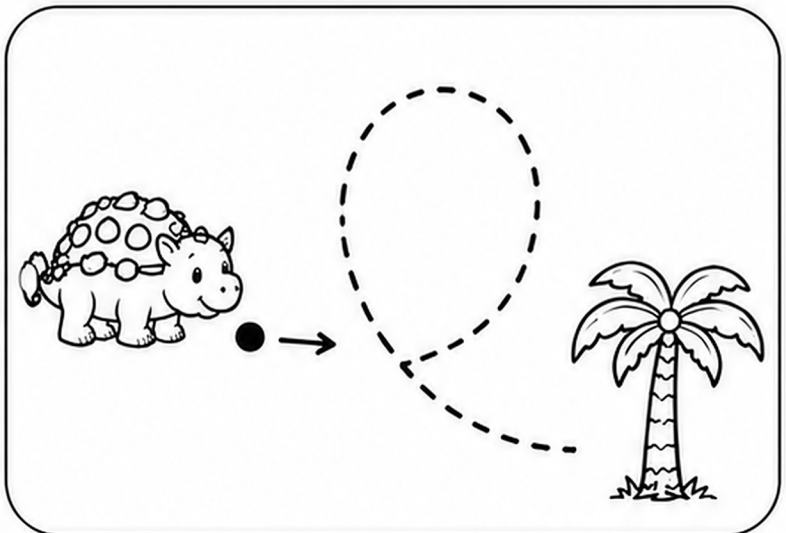

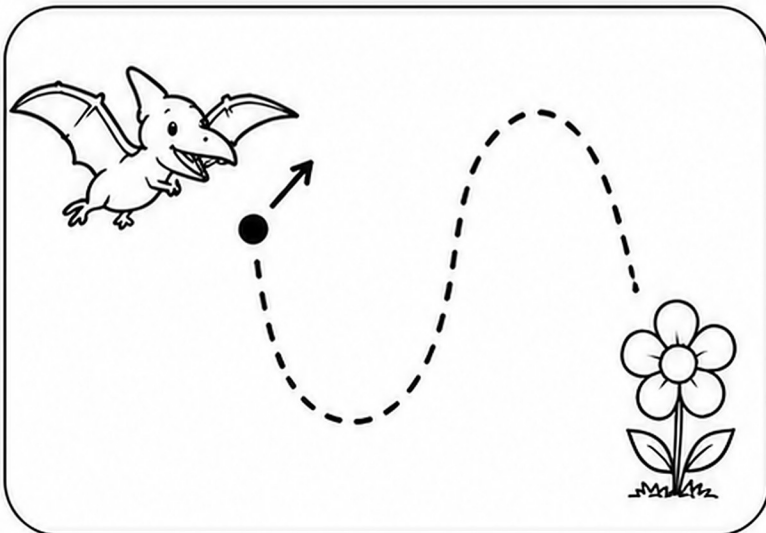

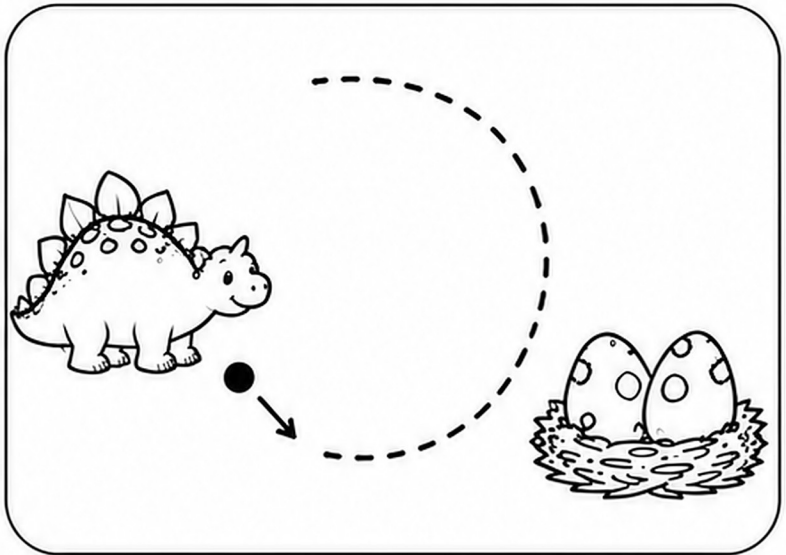

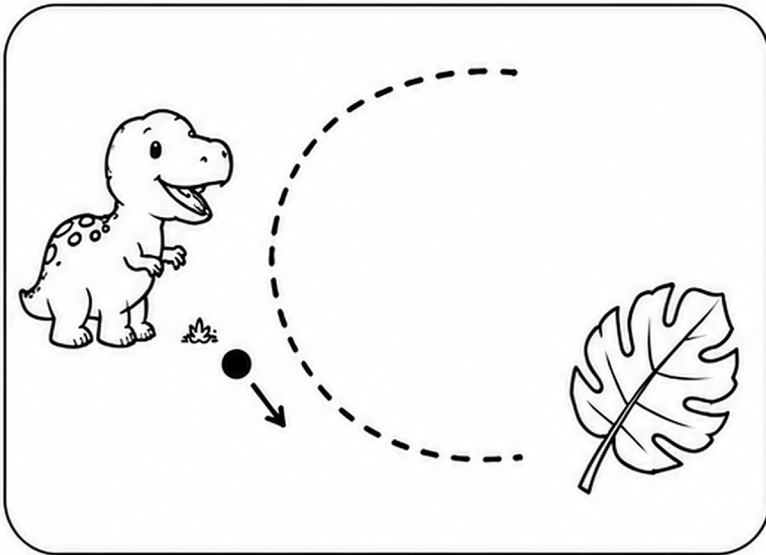

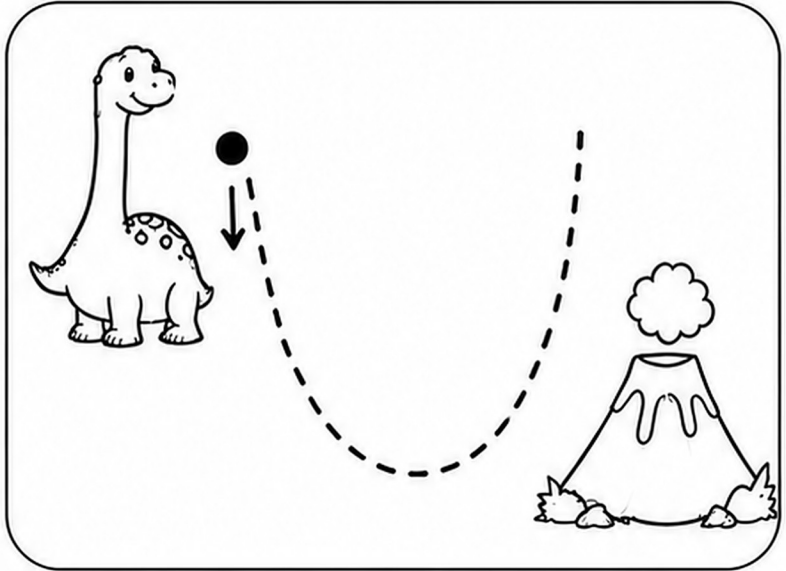

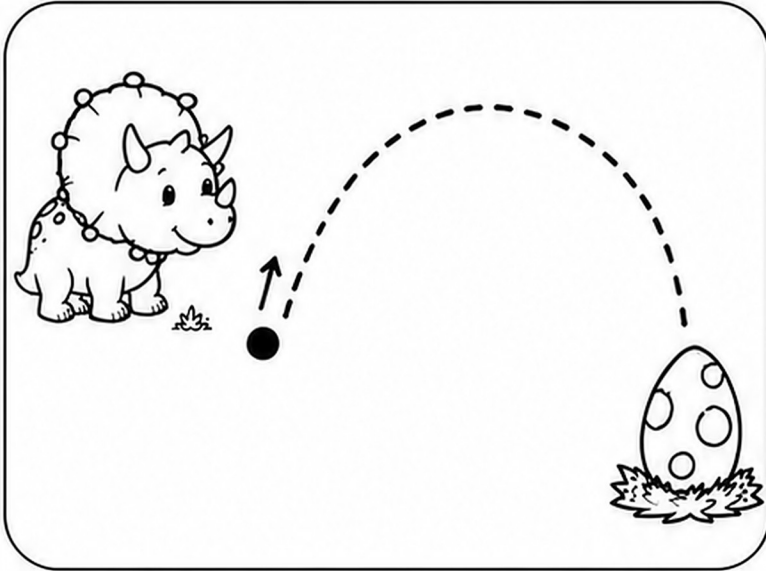

Trace the Zigzag Lines

Trace up and down along each path.

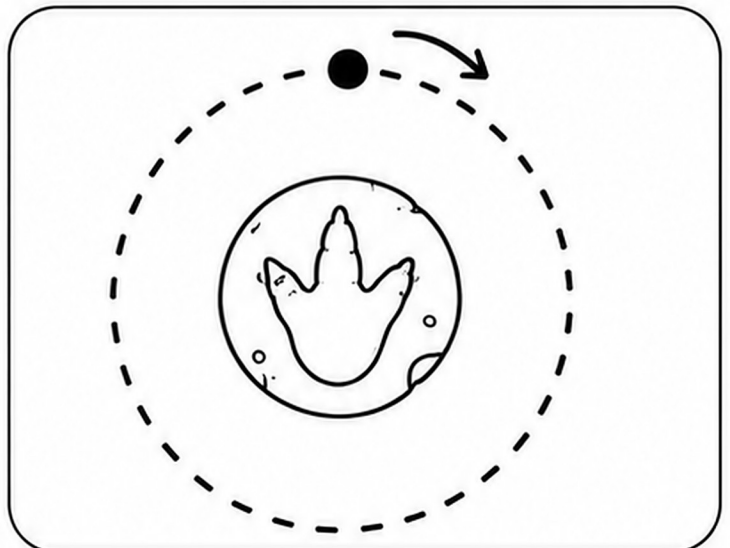

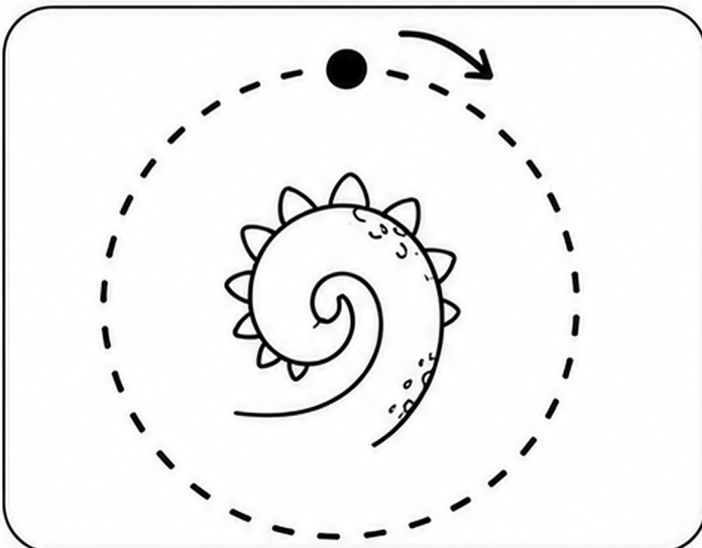

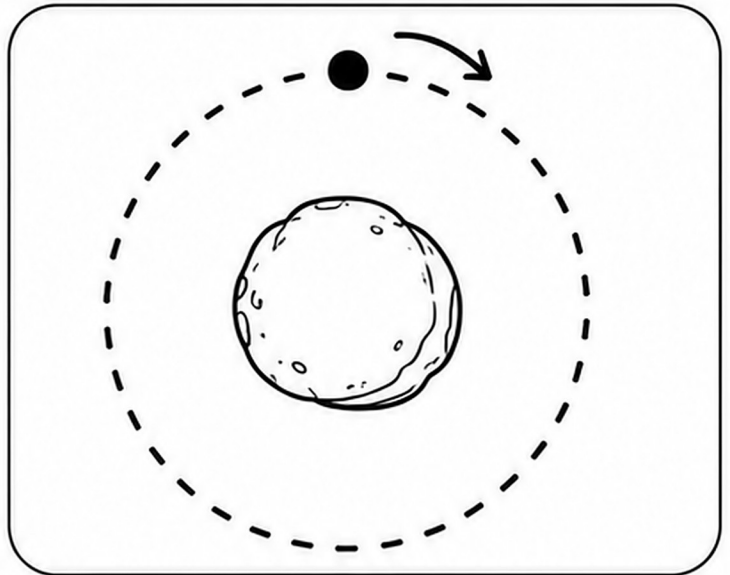

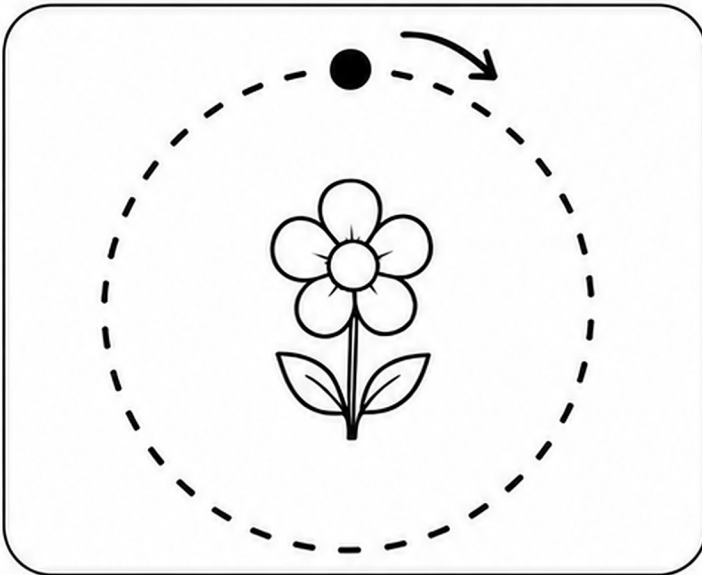

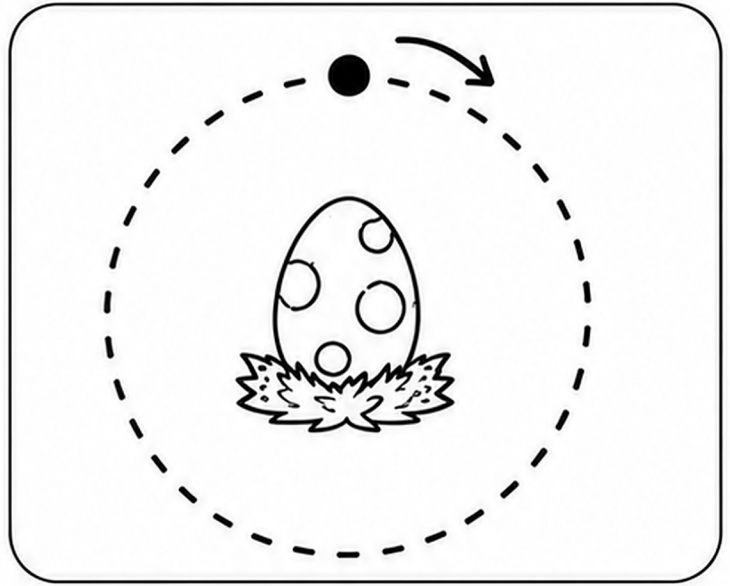

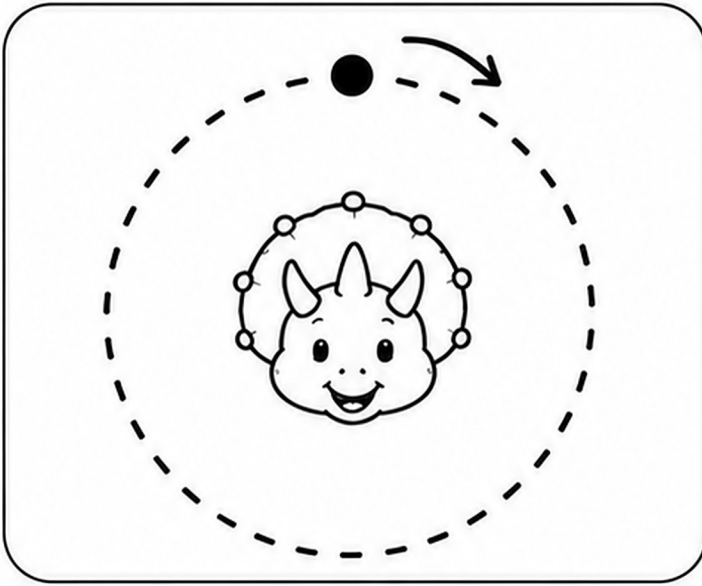

Trace the Curved Lines

Follow each curved line.

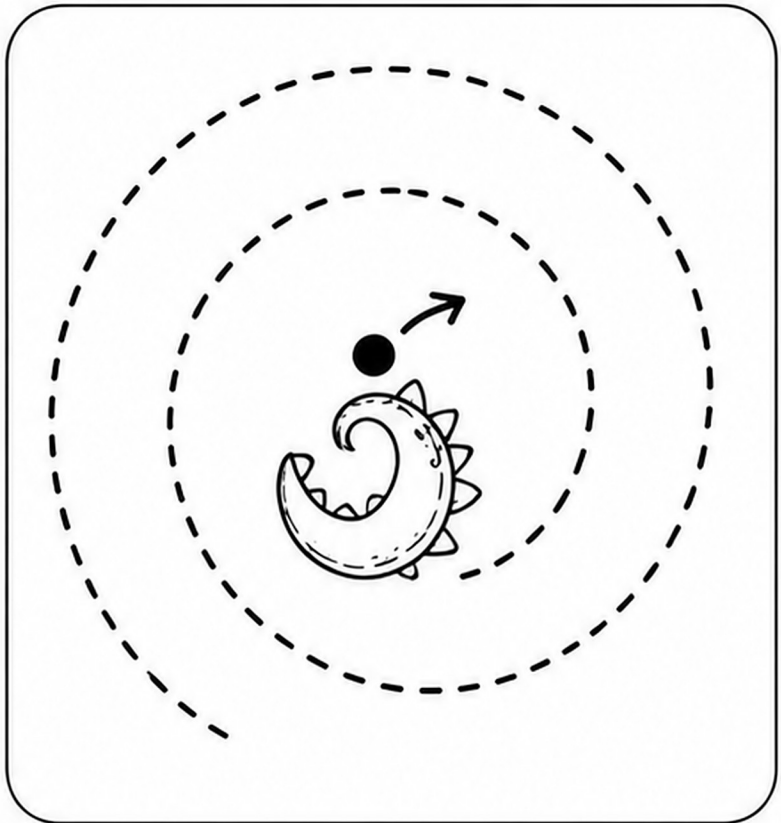

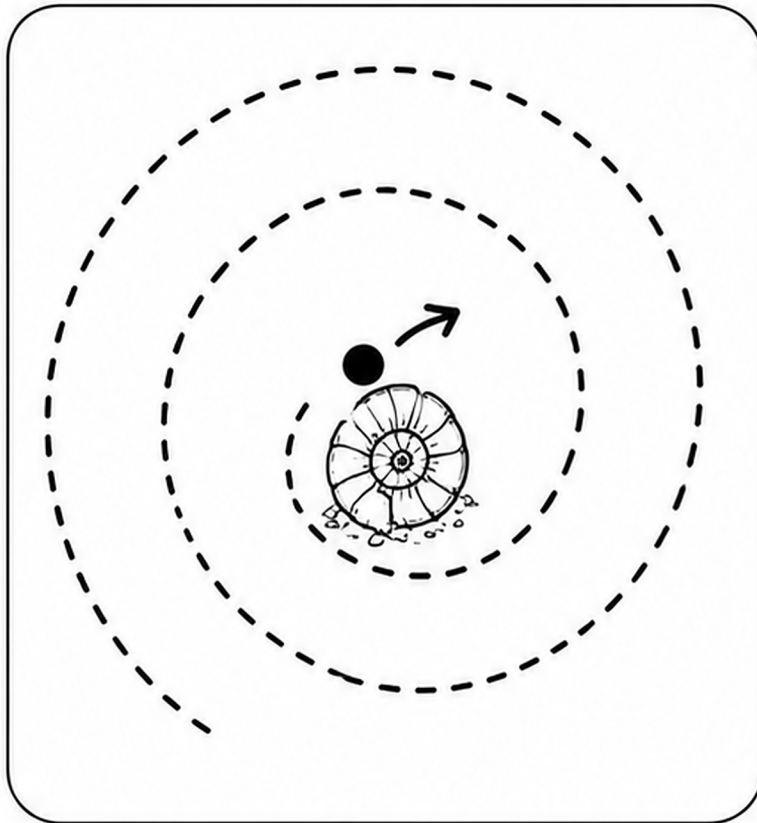

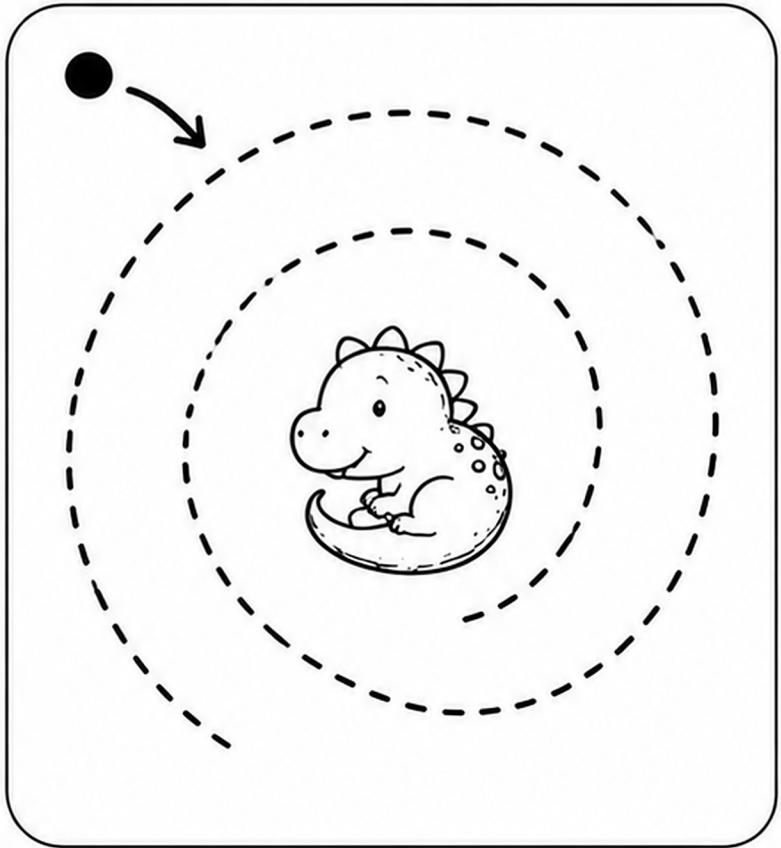

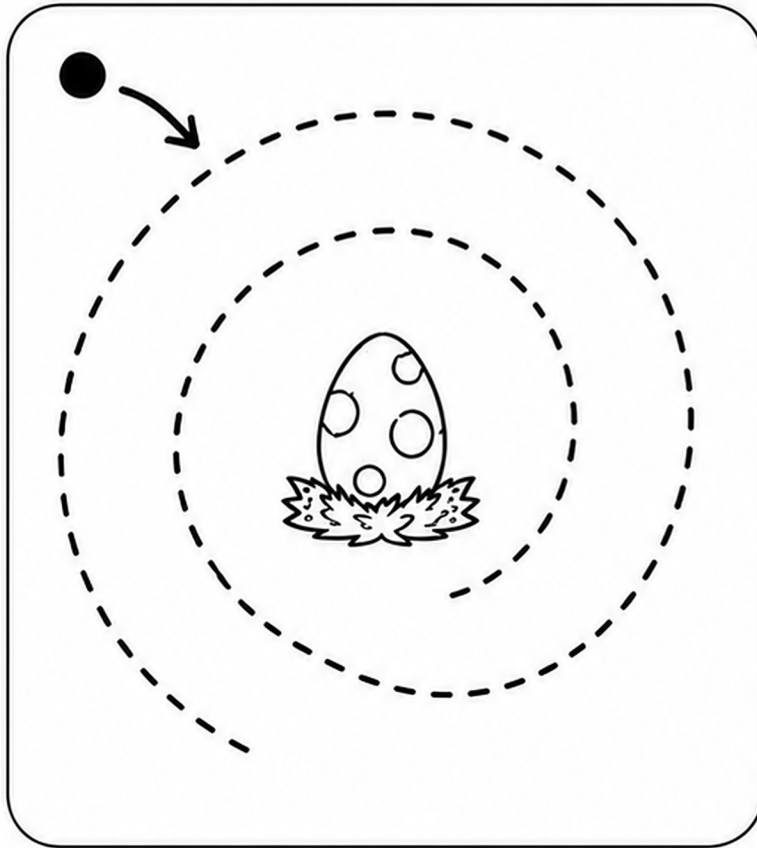

Trace the Circles

Start at the dot and trace around each circle.

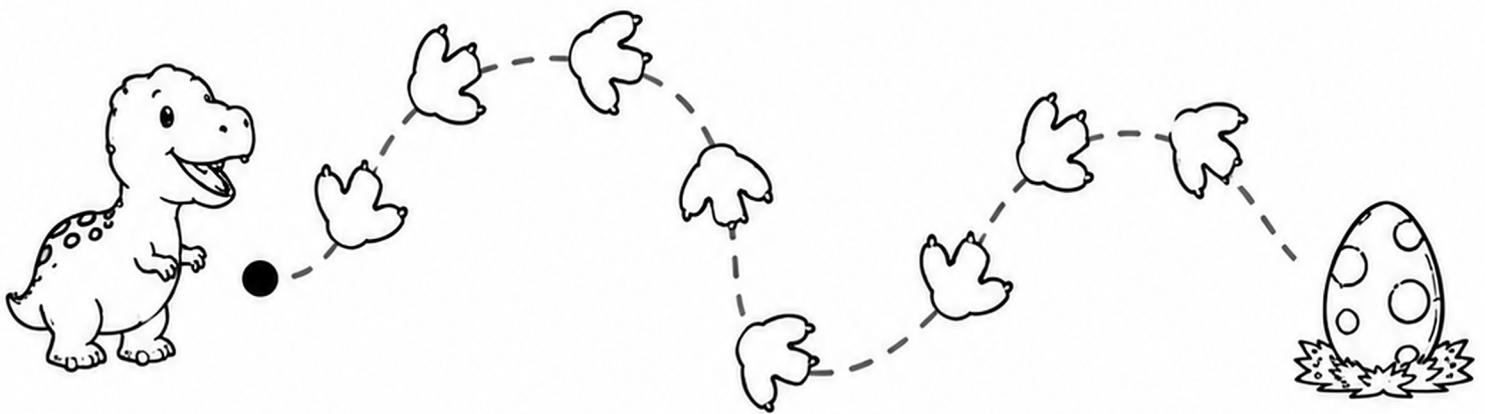

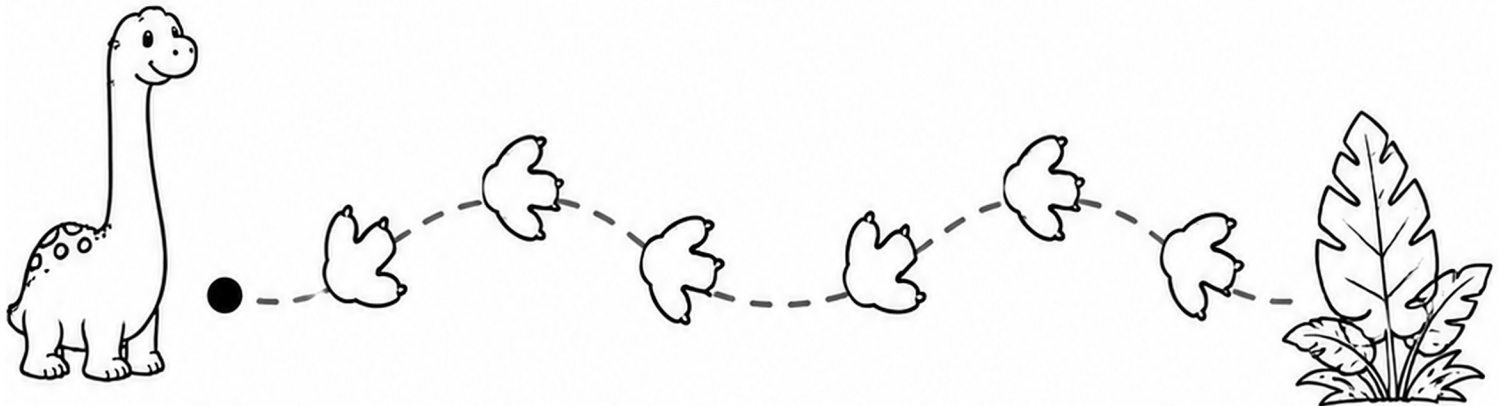

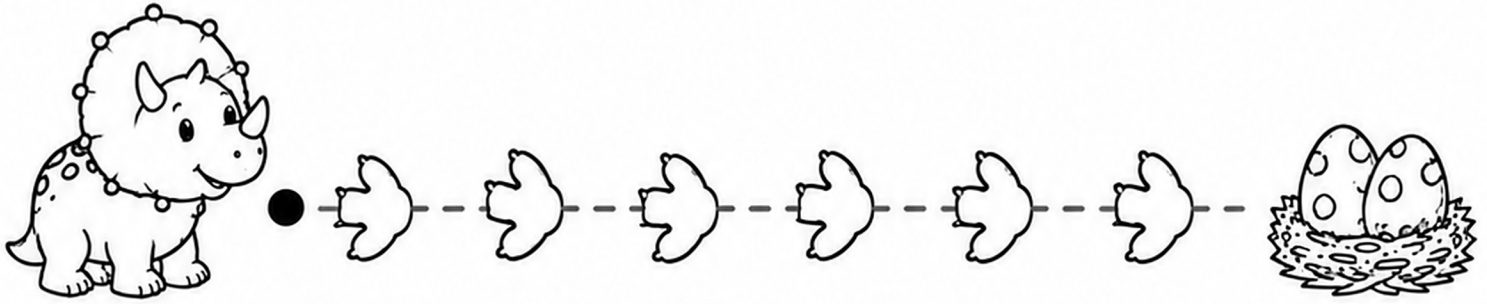

Trace the Spiral Lines

Follow each spiral slowly.

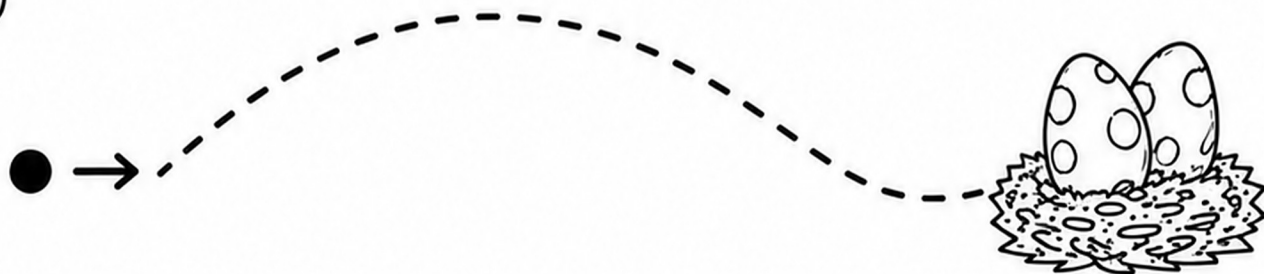

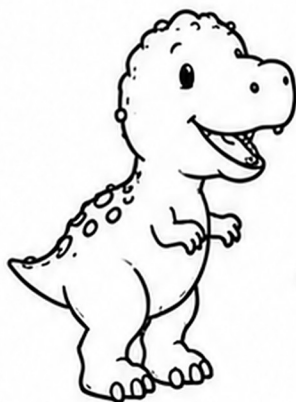

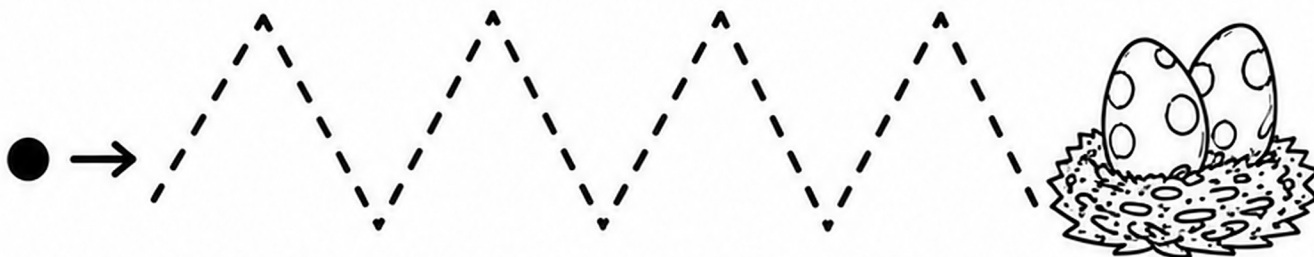

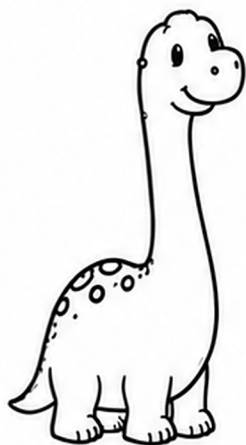

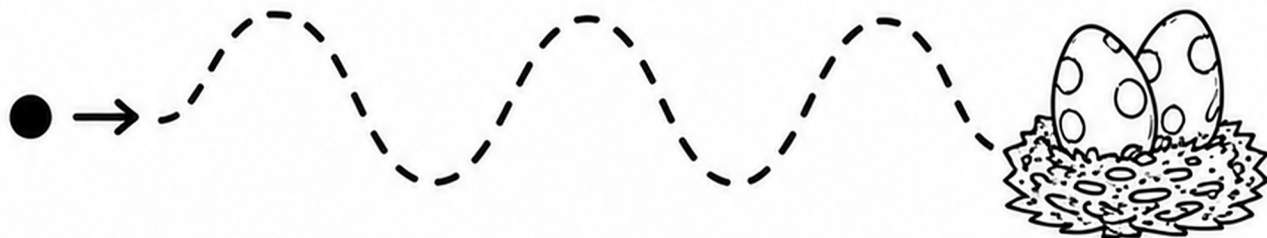

Follow the Dino Footprints

Trace a line through the dinosaur footprints.

Help the Dinosaurs Find the Eggs

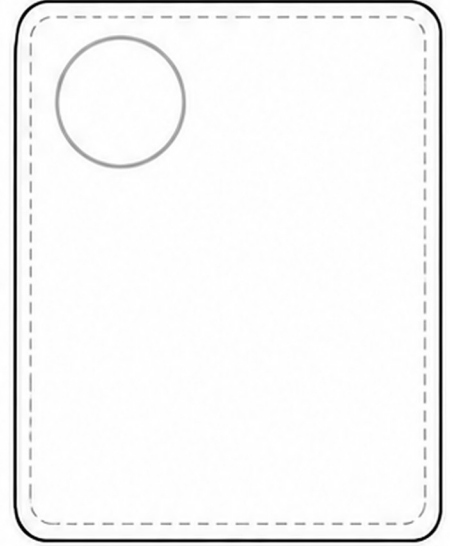

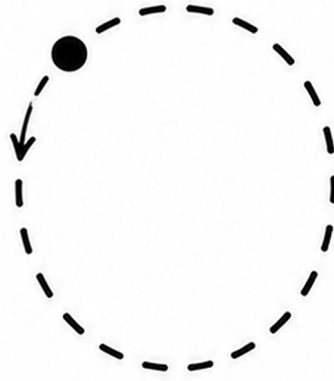

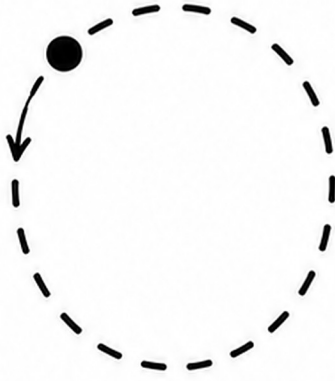

Trace each path to the dinosaur eggs.

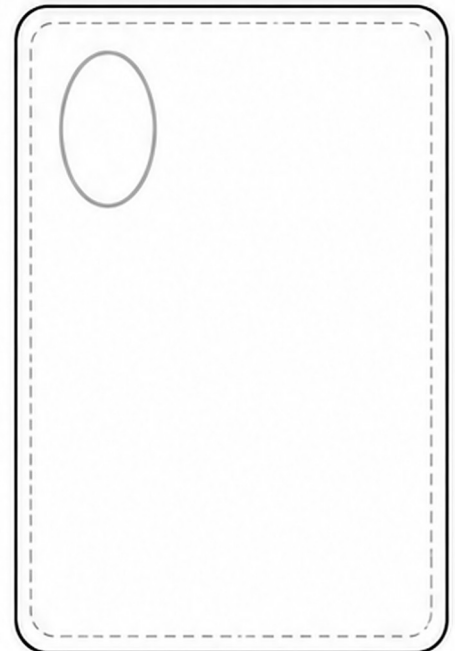

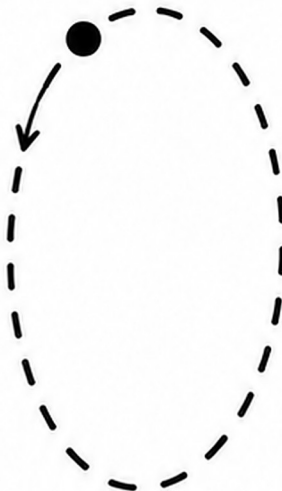

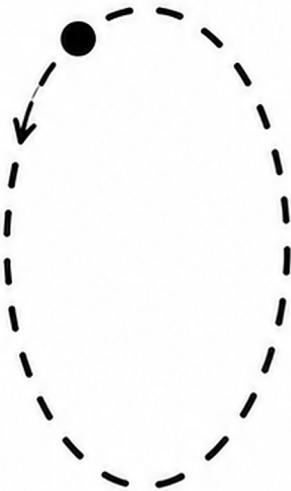

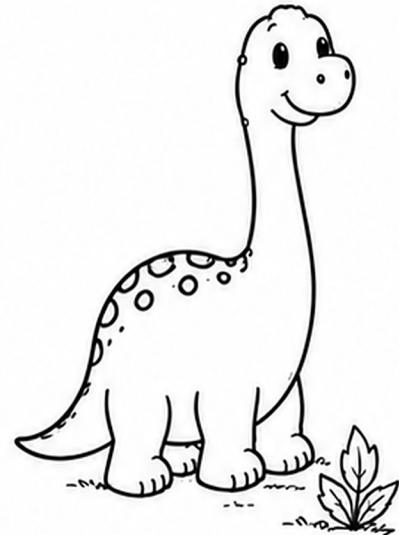

Trace the Round Shapes

Trace each circle and oval.

Circles

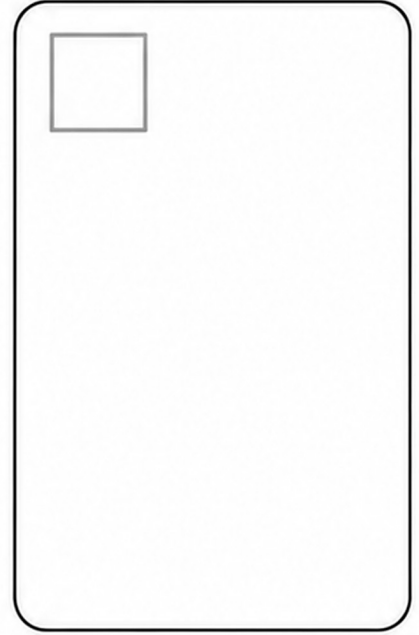

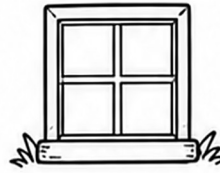

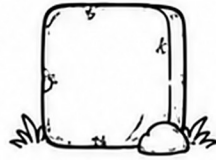

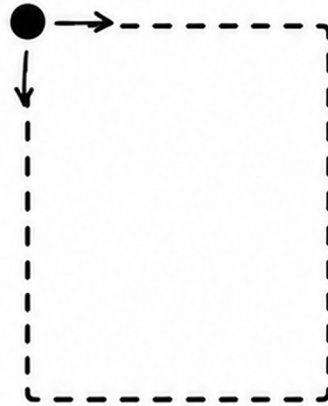

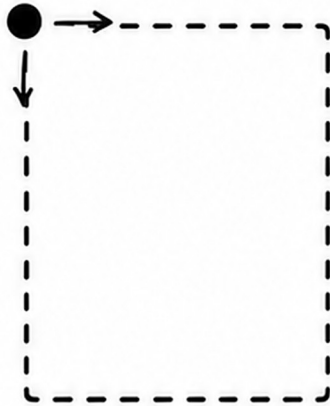

Ovals

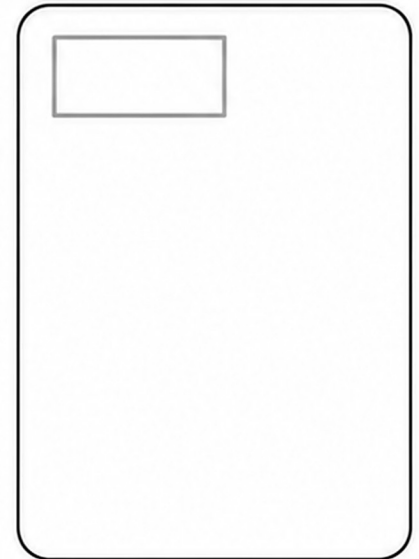

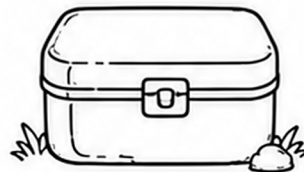

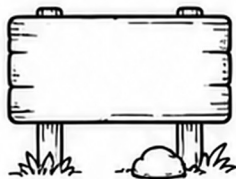

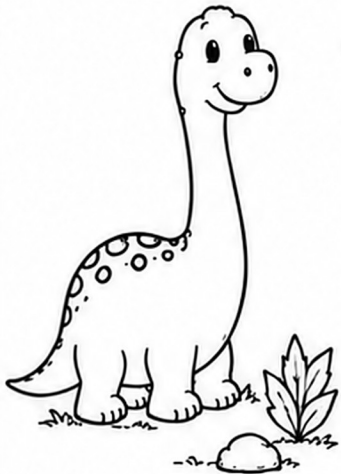

Trace the Square and Rectangle Shapes

Trace around each shape.

Squares

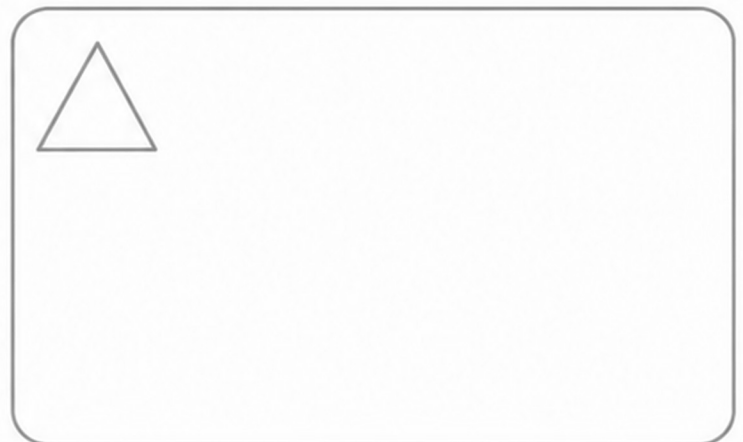

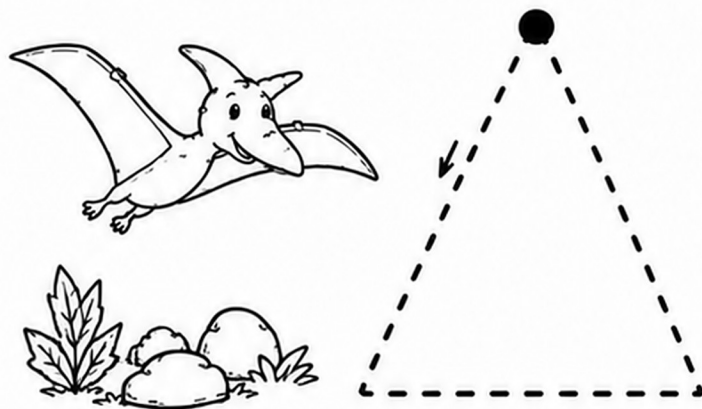

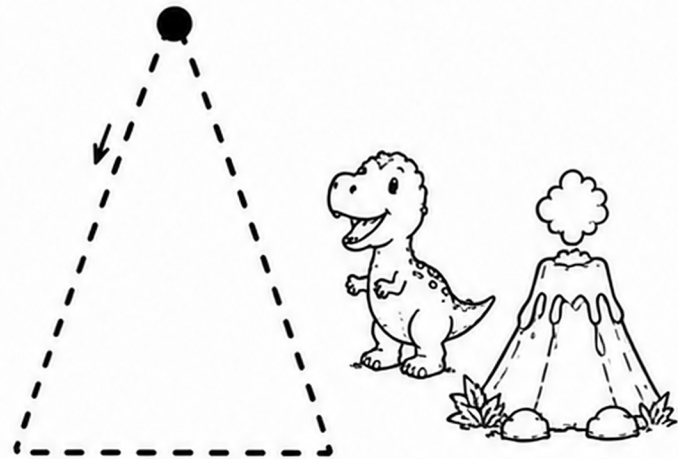

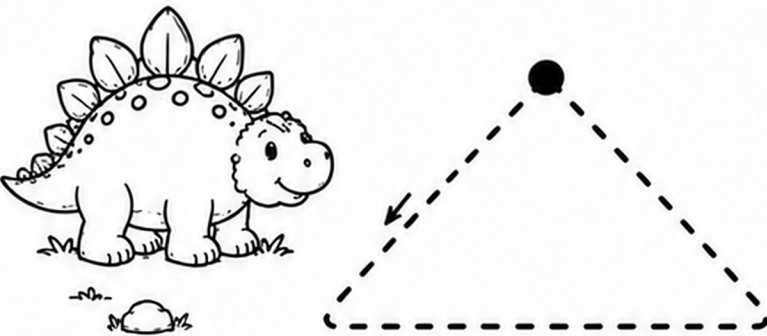

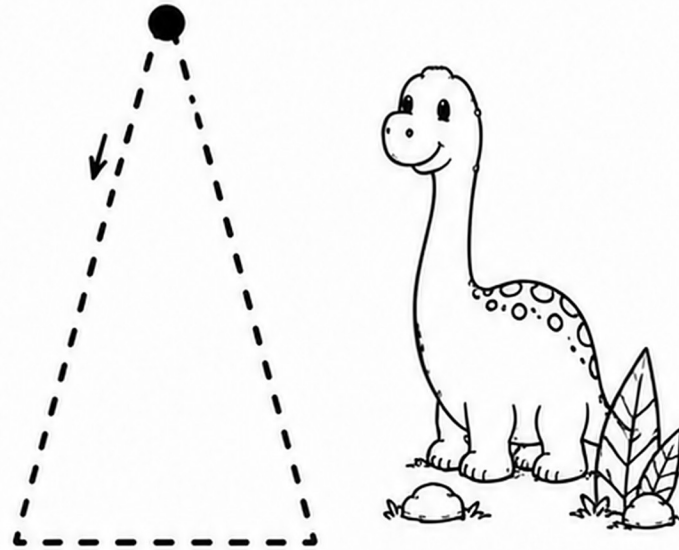

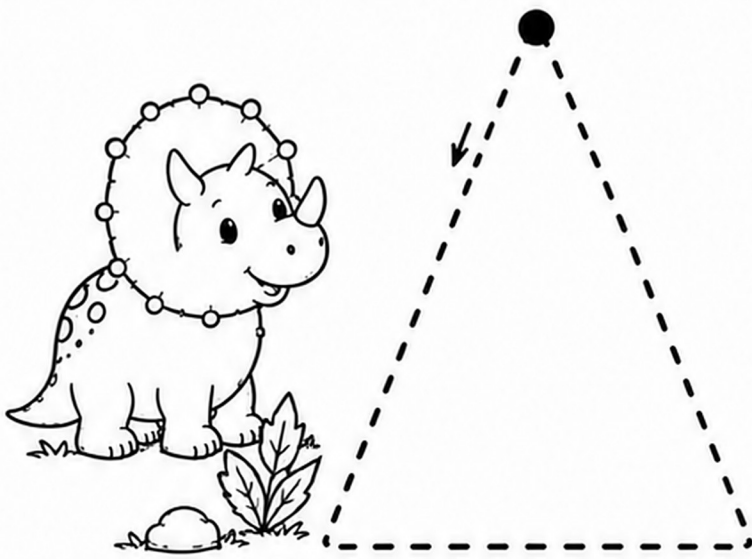

Rectangles

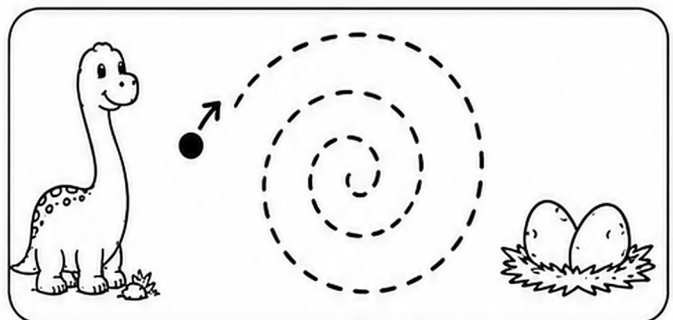

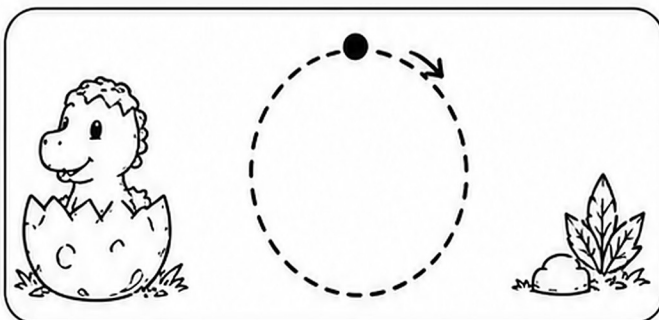

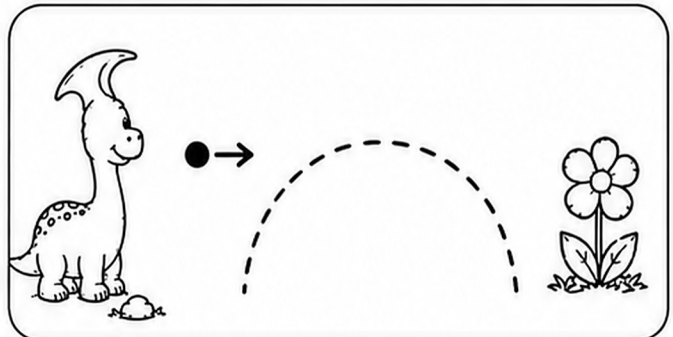

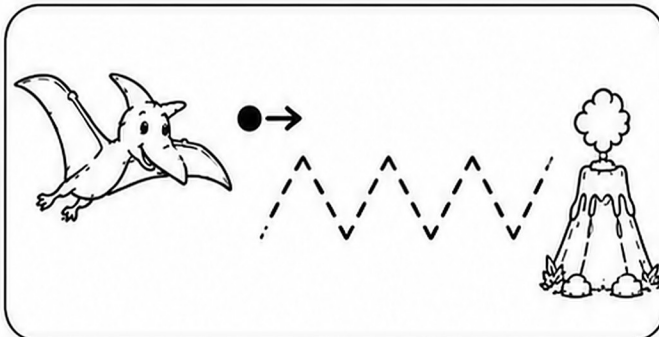

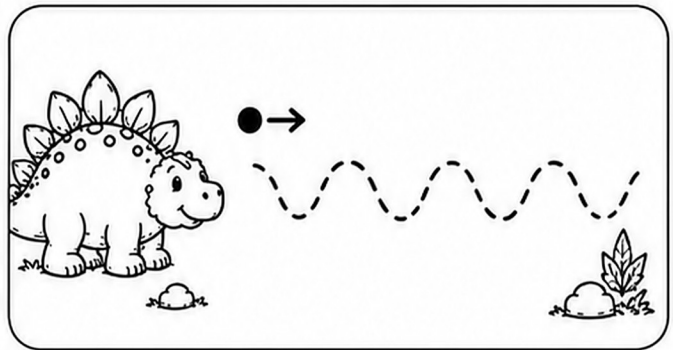

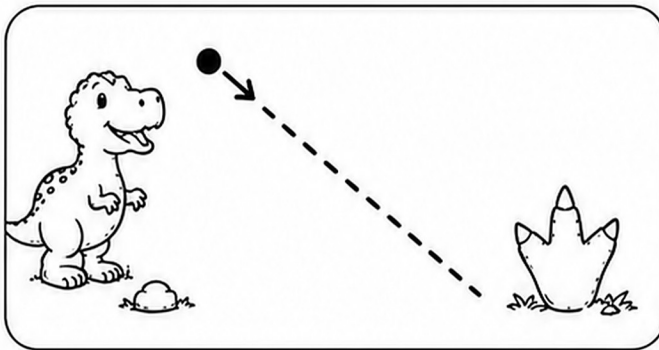

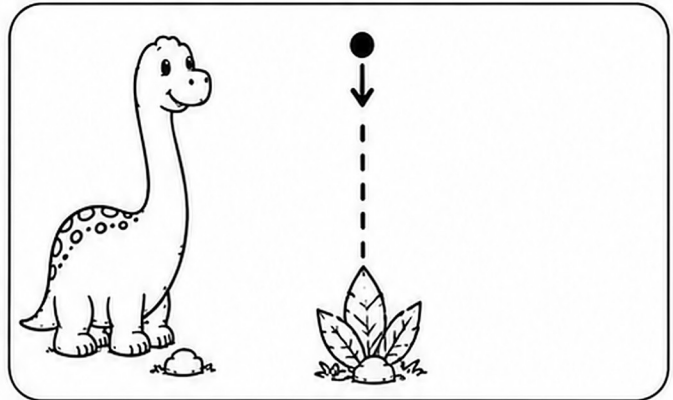

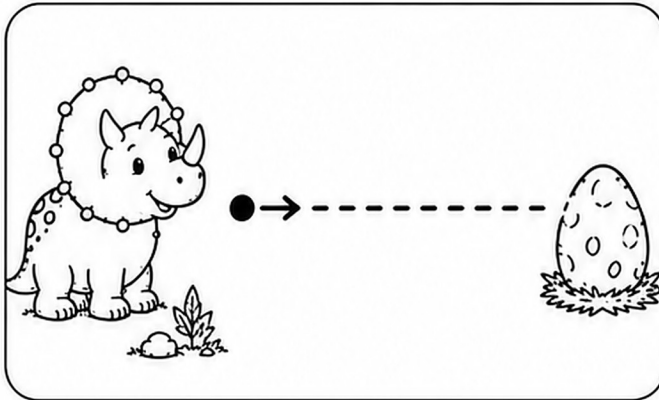

Trace the Triangle Shapes

Start at the dot and trace each triangle.

Dinosaur Tracing Challenge

Trace every path to complete the challenge.

Great Job!
